RIDGEVIEW ELEMENTARY

Ridgeview Parent Participation

Ridgeview has a great history of parent participation. This coming school year, we are taking participation one step further – right to the parents of each grade.

Each grade has been given the lead responsibility for coordinating one of Ridgeview's annual events.

Hallowe'en Skate

Description:	It's always fun watching Frankenstein skate! Held at the WV Ice Arena, primary and intermediate kids (and their parents) enjoy the skating and bake sale that make this a great early Hallowe'en treat.
Lead Organizers:	Parents of Grade 4 Classes
Timing of Event:	Usually one – two weeks before Hallowe'en, depending on the availability of the Ice Arena.

In early October, your RPAC Grade Rep will be contacting parents about supporting this event.

In the meantime, please talk to other parents. One of you might want to lead the organizing; others might want to participate on the day of the event. Together, you'll come up with some great ideas on how to make your event better than ever before!

Wishing every Ridgeview family a wonderful school year.
