April 19, 2018

Grade 12's:

University Transcripts:

IMPORTANT:

There are still 117 grads that have not gone onto https://www.StudentTranscripts.gov.bc.ca to sign up and add their University selections to the Post Secondary Institutes Form. This is VERY important and the only way the Universities will be able to access final high school marks in July. BC Universities also use this to verify term two marks. Please encourage your grad to get this done ASAP deadline is APRIL 30th.

The directions are as follows: 1) Go to above website, 2) Create account (BCeID), 3) Sign in and click on Transcripts/Certificates, 4) Click on order/send transcripts, 5) Check off consent box, 6) Click send transcript under Post-Secondary, 7) Add ALL the Universities/Colleges you applied to locally, nationally and internationally, Click SEND LATER not now…..Done.

University Visits:

University of Saskatchewan	Apr 20th	12:50 PM
University of Guelph - follow up visit	Apr 26	9:45 AM
Queen's University - follow up visit & Gr. 11 info	Apr 26	2:45 PM
Ryerson-Follow Up Visit	Apr 27	12:50 PM
University of Wisconsin	Apr 30	9:15 AM

University of King's College Invitation

Please join us for our **Meet and Greet Tour**.
At a meet-and-greet stop, students will hear from an academic advisor and find out about campus life. They will also meet current, former, and other future students. The Vancouver stop of **the Tour will be happening Sunday, May 6, 7-9 p.m. at the Holiday Inn Downtown (1110 Howe St).** For students who have applied or may be interested in this opportunity. The link to RVSP is here: https://ukings.ca/events/meet-greet-tour-2018/.

Scholarship opportunities:

Sentinel scholarship packages will be handed out this Friday April 20th and Monday April 23rd to English 12 students in their classrooms. Applications are due back to the office by Thursday May 17th, 2018.

The Jack Davis Scholarship

The $3,000 award will go to the top North Shore high school graduate with the best all-round excellence and public service record to assist in their studies at UBC.

The Scholarship was established in 1992 to commemorate the many contributions of the late Honourable Jack Davis to Canada and BC when he represented North Shore constituents, as a federal MP and a Provincial MLA, for a total of 27 years. He was also a top all-round student, star athlete and Rhodes Scholar.

Go to www.jackdavisscholarship.ca for information on the scholarship and the on-line application form.

Applying into Engineering or Geoscience locally?

The following website has information for a scholarship opportunity: **http://apeg.informz.net/apeg/data/images/2018%20NEGM/Info_Sheet_Scholarships_Onlinepdf.pdf**

Other Opportunities:

Applied Science Advancement Program

offers class lectures and hands on activities as you learn about STEM fields.

High School Camp Registration Is Now Open!

Join future leaders and change-makers from across Canada and around the world as you study cutting-edge technologies
and concepts in today's Science Technology Engineering and Math (STEM) fields.
Class discussions, lectures and hands on activities will be guided by undergraduate and graduate students at UBC.
Our goal is to empower High School students to solve tomorrow's problems and give them a venue to connect with like-minded peers.

This year we're offering four different camp themes:

Biotechnology & Biomedical Engineering
Software Design
Environmental Engineering
Integrated Engineering

Find more information on our ASAP Camps here.

Looking To Get Involved This Summer?

Are you a grade 10, 11, 12, or a university student interested in working with kids this school year?
Are you passionate about sharing STEM in a hands-on learning environment?
Do you love working with kids?
Come join us as we share the wonder of STEM with BC youth!

Geering Up UBC Engineering & Science for Kids is looking for enthusiastic volunteers to help us run camps this summer as Junior Instructors.
Applications are now open, find out more on our website here.
