Dear StrongStart Families,

We hope you have enjoyed StrongStart at Eagle Harbour this past year. This letter is intended to update you regarding the 2018-19 StrongStart program and to extend our appreciation to you for your support of this important early learning program in the West Vancouver School District.

Deanna DeVita has been the StrongStart Educator at Eagle Harbour for the past five years. During this time, Ms. DeVita has devoted her time to serving countless families and to caring for our children. We are grateful for her dedication to the Eagle Harbour community and for her professional, thoughtful and skilled approach to educating our youngest learners. Ms. DeVita will be embarking on new directions in her career next fall as she assumes responsibility of the Hollyburn StrongStart program. At this time we are actively seeking a new Early Childhood Educator to work at Eagle Harbour StrongStart. During the summer months, please visit www.westvanschools.ca for updates on this process.

We will be hosting a new 4-session Summer StrongStart program this July. Please see the attached poster for information. Our schedule for Eagle Harbour StrongStart will remain the same and we hope you will continue to join us next fall.
