

Required Documentation for Admissions **2023-2024 and 2024-2025**

Schools are no longer accepting documentation via email.

Once you have successfully submitted an application form, you will receive an automated email confirming receipt.

That email will contain a link for secure document upload.

Please click the link to submit good-quality PDF copies of all [required documentation](#) to your first choice school. Applications are not considered complete until all documents have been received and reviewed.

Schools may request in-person document submission at their discretion. Schools may request additional documentation at their discretion.

A. PROOF OF STUDENT BIRTHDATE

- Child's original birth certificate (long form birth certificate if available)

B. PROOF OF CITIZENSHIP (*required for both student and parents*)

C. PROOF OF RESIDENCE

In order to support an address in British Columbia, we require both specific proof of residence and additional support documents. These documents must contain one of the parent/guardians' names, at the residential address shown on the application and must be current. Utility bills must show the residential (service) address. Some schools may require two primary residential support documents.

Please note: Purchase agreements are considered valid as of the closing date specified in the agreement. Tenancy agreements are considered valid as of the start date specified in the Beginning and Term of Agreement section, or the date of your arrival in the province – whichever is later. As well, they must be valid at the date when the student intends to start school. Month-to-month tenancy agreements are typically not accepted without an initial set term (typically one year).

Business addresses are not acceptable for admissions purposes.

Many schools require a minimum of two residential support documents in addition to proof of residence. At least one must be a primary support, otherwise three will be required.
