2020 Ministry of Education Student Learning Survey

The School District #45 is participating in the 2020 Ministry of Education Student Learning Survey (formally called the Satisfaction Survey) with all other school districts throughout the province. The Survey is unique in its scope, size and usefulness to schools, as it gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools, and provides a district and provincial perspective.

The Student Learning Survey will be administered to students in grades 10 and 12, their parents/Guardians, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement.

Parents/Guardians of Grades 10 and 12 students can complete the anonymous Internet electronic surveys any time **before April 3, 2020.**

The survey can be completed electronically at http://www.bced.gov.bc.ca/sat_survey/access.htm

To complete the survey:

1. Go to www.bced.gov.bc.ca/sat_survey/access.htm.
2. Select the "Direct Access" option
3. Select "45 West Vancouver" from the District drop down list.
4. Select "West Vancouver Secondary" from the School drop down list.
5. Choose your preferred language from the drop-down list.
6. Complete the survey by clicking the green NEXT in the bottom right corner of the screen.
7. When you are finished, the message "Thank you for sharing your views" will appear.

Thank you for participating

\$25 PAC Optional Donation - School Cash Online

The Parent Advisory Committee (PAC) would like to thank West Vancouver Secondary School parents who make the annual contribution to WVSS PAC to support your children in both the classroom and in extra-curricular and sporting activities.
