2020-2021 Student Course Requests

Returning WVSS students have made their course requests for the 2020-2021 school year. As we prepare to build next year's timetable we ask you to review these requests with your child. Please [click here](#) for Family Portal Navigation Guide for details to access the requests. If your child wishes to make changes to their requests, please have them email with their school counsellor.

Stay Informed: Keep Your Address & Contact Information Up to Date!

All Parents and Guardians will receive this e-bulletin by email each Thursday and we hope you will make it part of your routine to browse through it and keep up to date on school information and upcoming events. In addition, the student absence system makes contact daily by telephone to alert parents of unexcused absences. From time to time the school will also send documents and information to homes by regular mail. To ensure that you stay informed in all of these ways, please contact the school office and let us know if you change your email, phone contact information or move to a new address.
