WVSS Graduation Information

We will be working over the coming weeks to firm up details around what graduation will look like. We will be in touch with our WVSS graduates and their families as soon as we have details to share.

Attendance/Student Contact Tracking During Remote Learning

The Ministry of Education has instructed schools to keep a basic record of “Attendance/Contact” with students over the course of remote learning. Teachers and schools have the responsibility to track and report student contact in order to ensure students are safe and receiving opportunities for ongoing learning. Student contact is defined as a two-way communication between teacher and student/parents. If teachers are unable to connect with a student remotely during the week, the teachers or a school staff member will be reaching out to families to ensure students are receiving communication and have what they need in order to continue with remote learning.

WVS Summer Learning 2020 – Secondary (Updated)

Registration for Summer Learning 2020 opens online at 8:00 a.m. on May 1th, 2020. All Secondary programs will be run out of West Vancouver Secondary. Summary information about summer learning course offerings can be found in the attachment. Stay Informed: Keep Your Address & Contact Information Up to Date!

All Parents and Guardians will receive this e-bulletin by email each Thursday and we hope you will make it part of your routine to browse through it and keep up to date on school information and upcoming events. In addition, the student absence system makes contact daily by telephone to alert parents of unexcused absences. From time to time the school will also send documents and information to homes by regular mail. To ensure that you stay informed in all of these ways, please contact the school office and let us know if you change your email, phone contact information or move to a new address.
