Learning Highlight – Grade 7 Triple-Ball

Grade 7 students participated in Triple Ball Jamborees last week at Rockridge Secondary Schools. Both teams did really well with the boys tying for third place and the girls coming second! They practiced a great deal over the season and it showed in their performances. Thank you to coaches Sarah Bristow and Ryley McLeod for providing so many opportunities for our students to practice and play,

and to families for getting students to the 7:45 AM practices and the season games and jamboree and helping with coaching. Well done teams!
