Information, Requests and Reminders:

Online Forms to be completed:

Every year, families must complete online policies and procedure forms for every child attending West Vancouver Schools. These forms are essential for walking field trips, internet use, fruit and vegetable programs and more. You will need to log in to your account and/or create a new account if you have not done so in the past. Thank you for your prompt attention to completing these important documents. Please ensure you complete these as soon as possible using the following link: [Policies and Procedures.](#)

School Bus Service:

All families who wish to have their children ride the school bus this year are reminded that each student must register by completing the online [registration request](#) form to reserve a seat on the bus. Any unregistered student taking the bus results in taking away a seat from a registered student.

Optional Accident Insurance for Families

Each year the school district reminds families that they have the option to purchase insurance coverage against accidental injury, unexpected medical expenses and critical illness. There are many different voluntary plans that provide coverage for students and their families against accidental injury, unexpected medical expenses and critical illness. Families are encouraged to do their due diligence when choosing a provider.
