**Information, Requests and Reminders:**

**Feeding Futures:**

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal if they need support with food -related costs. Please be assured that all requests will be addressed with sensitivity, respect and confidentiality.

**School Closures**

West Vancouver Schools endeavours to keep schools open on regular instructional days, including those with accumulating snowfall ([Weather Closures and Procedures](#)). Any decision to close schools will be made by the Superintendent and will be based on the safety of students and staff. We aim to communicate any decision to close schools by 6:00 am.

**Please check the [school district website](#) for the most current information on school closures.**

School closures may also appear on several local news sources including:
