Class placement considerations for the 2024-2025 School year

Parents are invited to provide information to assist staff during our class configurations for September. Please note that while parent input will be considered, many other factors may affect student placement. When considering class placements, staff consider many things such as teachers' observations of individual needs and social dynamics, input from support staff, class size and composition, age distribution, and learning style. If you would like to provide input for your child for the upcoming school year, please complete the survey link by May 24th. <https://forms.office.com/r/LYjziLzby0>

6/7 Band Registration for the 2024-25 School year:

Please see [Elementary Band](#) for district information and registration information. Families of students in Grades 5 and 6 received an email from Ms. Fairbank about the Band program at BICS. Please check your email and contact Ms. Fairbank if you have any questions.
