

UPCOMING ACTIVITIES

Family Literacy Week at BICS (January 26–29)

We are excited to celebrate Family Literacy Week with fun, school-wide activities that promote a love of reading and writing. We are thrilled to welcome local author Sara Skuce to our school.

Students will participate in a Bookmark Reading Challenge for a chance to win prizes by completing 10 activities. Please remember to return completed bookmarks next Monday, February 2nd!

Classes will also work together to create a school-wide story, which will be shared in next week's BICS This Week!

GAMES WORKSHOP

Our District Physical Literacy Specialist's came to teach our teachers and students some new games to play during P.E. It was a blast!

Grade 7 parents,

Please sign up for a shift at BIRD. This is the biggest fundraiser for grade 7 graduates, and your help is greatly appreciated! All proceeds from can/bottle recycling go towards Grade 7 graduation activities

Dates: Tuesday, January 27, Tuesday, February 3, Tuesday, February 10
Shifts: 8.30 am – 10.30 am and 10.30 am – 12.30 pm, 3 people per shift

Please sign up at this link:
<https://slotted.co/p33papdu>

SAVE THE DATE!

Intermediate Spring Concert – Wednesday, May 13th 2025 at 6:15pm

Now it's time for Divisions 1, 2, 3, 4 and 5 to get ready for their upcoming Spring Concert on May 13th 2025 at 6:15 pm. The Concert Band and Choir will perform along with original songs created and presented by each of our intermediate classes.

Thank you to everyone who was able to come out to the Winter Concert in December. The primary students, along with the Concert Band and Choir, were able to put on an amazing show!

FAMILY LITERACY WEEK

SEAWOLVES SPLASH

Every Tuesday is Tidal Wave Tuesday at BICS! We encourage everyone to show their school spirit by wearing BICS spirit wear or school colours. Our tidal wave represents the energy, strength, and sense of community that we bring to our school each day. The orca, a powerful and intelligent animal found in the waters surrounding Bowen Island, symbolizes connection, teamwork, and belonging. Just as orcas travel in pods, we thrive when we support one another as a school community.

By wearing our spirit wear, we celebrate our island roots, our shared pride, and the strong connections that make BICS such a special place to learn and grow.

PARENT RESOURCES

Feeding Futures Program:

As part of the Ministry of Education and Childcare Feeding Futures initiative, the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity.

Families are encouraged to reach out directly to their school principal or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

FRIENDLY REMINDERS

Please have your child ready to exit the car when you arrive to keep traffic moving smoothly. If your child needs help getting out, we kindly ask that you park and walk them over instead of stopping in the drop-off zone.

Thank you for helping keep everyone safe and efficient.

VOLUNTEER AND PARENT ENGAGEMENT OPPORTUNITIES

- PAC Volunteers (hot lunch, events).
- Connect with your child's classroom teacher to find out ways to help (reading, hands-on activities, field trips, etc.).
- BICS Garden: We are looking for parents and community members to revitalize our school gardens. Email the school if you are interested (BICS@wvschools.ca).
- Coffee and Conversation with admin and staff: Connect casually Feb. 5th from 8:30–9:30 am in the non-fiction side of the library.

CYBERSECURITY, ARTIFICIAL INTELLIGENCE AND QUANTUM COMPUTING DISTRICT PROGRAM

Cybersecurity, Artificial Intelligence, and Quantum Computing is a hands-on, project-based course offered to students attending Rockridge, Sentinel, or West Van Secondary. Students learn the theory and apply it to practical projects in the fields of Cybersecurity, Artificial Intelligence and Quantum Computing. They also have an opportunity to prepare for external certifications in Cybersecurity, Networking, Internet of Things, Programming, CompTIA, and Data Science. Students can participate in local, national, and international competitions such as CyberPatriot (<https://www.uscyberpatriot.org/>), Young Defenders of the North (<https://www.instagram.com/p/DHqs2PtM4Dw/>), picoCTF (<https://picoctf.org/>) from Carnegie Mellon University, Quantum Arcade Game Jam (<https://knowledgeflow.org/initiative/ubcs-year-of-quantum-arcade-game-jam/>) from UBC, and others. The course aims to help students prepare material they can use for university applications.

More details about the course are available here
<https://cybersecurityand.ai/>

If interested, please sign up at
<https://westvancouver.schools.ca/programs/cybersecurity-ai/>

There are only 4 spots left for students who will be in Grade 8 next year (2026 - 2027). Dr. Chugani will contact those shortlisted to schedule a meeting and go over the course schedule, requirements, and expectations. Please contact him (mchugani@wvschools.ca) if you have any questions before applying.

(Our team from the 2024 - 2025 class, who ranked 2nd in Canada last year)

WEST VANCOUVER SCHOOLS ADMISSIONS INFORMATION

K-12 admission applications for both in-district and out-of-district students opens on January 15. If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student.

To learn more about registration expectations and processes, please visit our admissions page:
<https://westvancouver.schools.ca/admissions/>

We look forward to welcoming new students and families to our vibrant and supportive school community!

DPAC *parent evening with* Sarah Ward on Executive Functioning

Wednesday, January 28th
\$29 per ticket

Sarah Ward is an internationally recognized expert in executive function. Her practical, research-informed strategies are widely regarded as groundbreaking in supporting student learning and independence.

Drawing from executive function coaching approaches used with elementary, secondary, post-secondary students and adults, this session will help build academic success by exploring time management, task prioritization, long-term project planning and the development of independent learning habits.

Registration Link:
<https://kaymck.com/events/2022-01-28-4501-pm/parent/>

REGISTER HERE

KAY MCK THEATRE
1700 MATHERS AVE
WEST VANCOUVER

6:30 -
8:30 PM

What Parents will Gain From This Evening

Understand

Parents will gain a clear, reassuring understanding of how executive function skills develop over time, why children may struggle with organization and time management, and what is developmentally typical at different ages.

Learn

Parents will learn practical, easy-to-use strategies they can apply at home to strengthen their child's time awareness, organization, study routines and follow-through for academic success.
