

WELCOME BACK!

Welcome back to our families and students! We are excited to learn together in the coming months. We hope you enjoy our new e-bulletin format with sections for ways to be involved, parent resources, and reading links. We look forward to your feedback!

SEAWOLVES SPLASH

Every Tuesday is Tidal Wave Tuesday at BICS! We encourage everyone to show their school spirit by wearing BICS spirit wear or school colours. Our tidal wave represents the energy, strength, and sense of community that we bring to our school each day. The orca, a powerful and intelligent animal found in the waters surrounding Bowen Island, symbolizes connection, teamwork, and belonging. Just as orcas travel in pods, we thrive when we support one another as a school community.

By wearing our spirit wear, we celebrate our island roots, our shared pride, and the strong connections that make BICS such a special place to learn and grow.

PARENT RESOURCES

As we begin the new year, we are asking all students and families to recommit to reducing cell phone use and to the school district's Personal Digital Device expectations. Consistent routines after the break help students re-engage quickly, keep instruction on track, and reduce distractions in shared spaces.

Expectations at a glance:

- Elementary (K-7): Cell phones are not used during the school day, including before and after school and at recess and lunch times. Laptops may be used to support learning during instructional time, only with explicit staff permission.

Family actions that make a difference:

- Minimize adult cell phone use in and around school
- Refrain from sending your child texts or calls during the school day; contact the office for urgent needs only.
- Review the school district's guidelines for personal digital device expectations.
- Help your child understand that when schoolwork requires technology, they need to choose a laptop over a phone, as it helps to reduce distractions and support learning
- For a one-page overview of expectations, [see our Parent & Guardian Infographic.](#)

Thank you for working with us to uphold these important expectations.

FRIENDLY REMINDERS

If your child will be away from school, please remember to **call 604-347-9337 and press 2 for our callback line** to report their absence or **send an email to BICS@wvschools.ca**

Thank you for helping us keep our attendance records accurate and our students safe!
