

MULTI-AGE CLASSES

Each spring, our staff work collaboratively to thoughtfully create balanced classes where all learners can thrive. Teachers, administrators, and district staff carefully consider many factors when organizing classes, including individual learning needs, learning styles, class size, enrolment, social-emotional needs, and opportunities for new friendships. Multi-age classes are common across West Vancouver and are created with care.

Please note that enrolment can change over the summer as families move in or out of the community. As a result, some class placements or configurations may need to be adjusted when staff return in September. We look forward to finishing this school year strongly and welcoming students back for the 2026–2027 school year.

RETURNING TO BICS?

We are currently accepting and processing new registrations for the 2026–2027 school year and want to determine our enrollment for the upcoming school year.

To the best of your knowledge, **if you know you will not be returning to BICS, please let Mrs. Grundy know** in writing as soon as possible (bics@wvschools.ca). We hope your child will return to BICS and note that students are returning to school on Tuesday, September 8, 2026.

CURIOSITY FAIR!

We are excited to host our Curiosity Fair (formerly the Science Fair) on **May 6!** This event celebrates student inquiry, creativity, and a love of learning across the school.

Our Grade 6/7 learners will be showcasing their inquiry projects focused on electricity and energy, while other students will have the opportunity to share projects that highlight their own learning, interests, and curiosities.

We look forward to celebrating the hard work, creativity, and thinking our students have put into their projects!

FRIENDLY REMINDERS

As our parking lot continues to be busy during drop-off and pick-up times, we kindly ask all drivers to help us keep our students safe. Please drive slowly, remain attentive, and watch carefully for children and families crossing through the parking lot. Using designated drop-off areas, and avoiding distractions while driving all help ensure everyone arrives and leaves safely.

GRADE SEVENS

Students leaving Grade 7 at BICS to Rockridge Secondary are automatically enrolled at Rockridge Secondary, our current feeder school. Course selection was done earlier in the year, if you missed this, you can **reach out to Tracey Rowbotham at Rockridge Secondary.**

If your child will be attending any other school in the district or otherwise, you will need to register at that school, as only Rockridge is our feeder school. If you have any questions about this, please reach out to the office at 604-947-9337.
