

Conduct For Parents & Guardians

Expectations

1 Respectful Communication

Parents & guardians are expected to communicate respectfully and constructively with all members of the school community. This includes in person conversations, email, phone calls, etc.

2 Conduct on School Property

To help maintain a safe and welcoming school environment, parents & guardians must model appropriate behaviour for our students by using responsible language and actions. Adults will not approach or engage with another family's child to resolve conflicts, obtain information, or address concerns. Such matters should be directed to school staff or administration.

We ask that parents & guardians:

- Sign in upon arrival in the school
- Follow staff guidance and direction
- Refrain from entering classrooms without permission

3 Online Conduct

Parents & guardians must use digital communications—including email, social media, and school platforms—in a respectful and responsible way. This means not posting or sharing content that could harm others, such as comments that are unkind, misleading, or that share private information about students, families, or staff. Any online communication about members of the school community is expected to follow these same guidelines, no matter what platform is used.

4 Privacy and Confidentiality

Parents & guardians must respect the privacy of all students, families, and staff and must not share personal or identifying information about others without their knowledge and consent. This includes photos and recordings on any school property.

5 Supporting the Resolution of Concerns

When concerns arise, parents & guardians must follow the established resolution process:

1. Always start by discussing the concern with the adult directly involved (start with the source)
2. Engage with respect and in good faith
3. Respect the privacy of all individuals involved
4. Work collaboratively to seek a resolution
5. Follow the above process before formal escalation
