# Learning at iDEC

Our Digitally Enhanced Community

## Grade 4

### **Connecting and engaging with others:**

- Classroom circle meetings/Campfire ( responsible and active listening)
- P.E. compliments
- Working with all classmates, valuing other opinions, thoughts, and vulnerabilities

### **Focusing on Intent and purpose:**

- Developing voice in written and oral communication
- Focusing on relevant comments/questions
- Focus on communicating student learning/process
- 

### **Acquiring and presenting information:**

- participating in small group and whole class discussions
- presenting information using digital tools
- developing responsible research skills online

## Communication Actions:

- share student voice
  - communicate student learning
  - Students confidently talking about their learning
  - developing our modes of communication and enhancing our Digital Enhanced Community.
