EXPLORATION DAY

Caulfeild iDEC

**Come Explore iDEC Learning
10am to 11am, Thursday Oct 6, 2016**

On Thursday, October 6 we offer a chance to tour our school and find out more about how students learn at Caulfeild iDEC. Not only an excellent neighbourhood school, see how our students are becoming digital experts and how their creative, critical and collaborative thinking sets them on the path for future success.
