Call for Recipes: Easy Weeknigh **Dinners &** Sweet Treats

Community cookbooks share one goal - comfort!

Our goal is to collect straightforward recipes from our children, their family members, and their teachers who make up our amazing community.

Help us create this fun community collection by submitting your favourite easy weeknight dinner and/or sweet treat recipes. Each person, including students, is invited to submit up to two recipes, and photos of the finished dishes are optional. The funds raised by the sale of the cookbooks will benefit Caulfeild Elementary School.

We know that many of you have been spending more time in your kitchens than ever before, so now is not the time to miss out on being a part of this unique "time capsule". Our Community Cookbook will not only give you many useful easy dinner and dessert ideas, but it will also become a cherished keepsake.

We will need your recipes (and photos) by1 April, as we hope to have the cookbooks available by 3 May. Orders will be taken in advance via munchalunch (details to follow).

Please send your recipe and photo Contraction Contraction to caulfeildcooks@gmail.com

Note: We acknowledge that many recipes may have been 'inspired' by someone else's recipe. Food combos are not infinitely unique! In cases where you've slightly adapted a recipe, we ask that you credit the original source, i.e. 'this recipe is adapted from [insert name/source]'. If you've changed a recipe to a large extent, modified it over the years to make it your own, or if it is a family recipe, handed down, we would consider that your original recipe.
