Are you passionate about music? Have you ever thought about learning an instrument? Do you want to have fun playing music with your friends? Then Band is for you! Band is an excellent opportunity to develop your artistic talents, and to play music with your classmates. The band program is offered to next school years grade 6 and 7 students who are interested in learning to play a concert band instrument. The instrument selection includes trumpet, trombone, baritone, alto

saxophone, flute, clarinet, drums/percussion. For those that would like to register their child for band, we

Band Registration Begins

Please review the following video, a testimonial from local musician/music educators who will share their insights and experiences in the iDEC band. It is well worth https://youtu.be/xC-auEP_tCQ

Mr. Santos will be sending out more information regarding the band in the weeks to come. If you have

the Bears - practice today after school and Ultimate games #3 will take place at Pauline Johnson Elementary on Tuesday. Later this month we have a special Ultimate clinic with Elevate sponsored by the CPAC for all intermediate classes. This will be a great learning and training opportunity for our students and staff . . . And it is just before the final Jamboree of the Ultimate season!

Making Positive Change in Our Community . . . Our Environment Over the past few years the health of our Caulfeild forest has been top of mind of many of our school and local community members. Extremely hot and dry summers have had a negative impact on various areas of our forest and certain tree species. With these challenges in mind, we are excited to share that work continued this week on our forest improvement project. Inspired by Mrs. Stevens and supported with a \$1500 WWF Go Wild School Grant our forest is getting some extra love, care, attention and planting. From invasive species removal to effective succession plant reforestation, this project is

Environmental Committee for Earth Day which happens next

Health and Safety Highlights for Term 3 Health and safety protocols will continue to evolve across the province in the next weeks and months. Our school continues to encourage our families to keep their children home when they are sick - doing

Procedure for Late Arrivals and Early Pick-Up Though we strongly encourage students to arrive and leave school during their scheduled times, we understand that there are occasionally extenuating circumstances that cannot be helped. When that is the case please email Ms. Chung <u>ichung@wvschools.ca</u> and follow the guidelines below. Please also keep in mind that the staff at iDEC want all our learners in K to 7 to have the best possible start to their school day. We ask families to ensure that their children are arriving to school on time. Schedules and routines are extremely important to a child's development and academic achievement as key concepts and lessons begin at the start of our school day.

Late Arrivals: Students needing to arrive late are asked to come at the end of one of the two outdoor

learning.

Join the Zoom Meeting https://us02web.zoom.us/j/86576900119?pwd=QnBZeXNjalZVZFB1UmFVVHZtVIN2QT09 Meeting ID: 865 7690 0119 Passcode: 102806 This parent information session comes before the scheduled student sessions on April 25th and 26th.

After School Playground and Student Safety As the weather gets warmer and the days brighter and longer we begin to see an increase in students wanting to stay and play on the playground after school. We do ask families to remember we do not have supervision on the playground after school. At dismissal, students should go home if they are not supervised by a parent/guardian. The playground is not closed and students are welcome to play when they have supervision. A good routine for families to follow is, have your child return home from school

kindly ask that you do so by Friday, May 13. To register please click on the following link: Elementary Band Program page

school and give away some fun prizes to some lucky draw winners.

having a positive impact on our local environment.

Earth Day

arranged appointment.

determine if you need testing.

Get Caught Being the Bear The first weeks of term three have been busy with many students getting Get Caught Being the Bear. It is proving to be an excellent way to highlight, recognize and celebrate our values with students and staff as we focus on the Bear Traits. Draw boxes are outside the office for students and staff to submit their tickets as they receive 1. them. There is a PRIMARY, INTERMEDIATE and STAFF box.

The last Wednesday of April, May and June are Pink Shirt Day and Caught Being the Bear

draw days. This will be a special day for us to recognize all the kindness we see across our

so, helps to keep other learners, staff, and families in our community healthy. There are some protocols that we will continue to keep in place as they are very helpful and benefit all our learning community members. The procedures for late arrivals and early pick-up as seen below is an example of a routine we will keep in place moving forward. If you are visiting your child's teacher, appointments are still appreciated. We would also ask that you

please sign-in in at the main entrance beside the office when you visit inside the school for your

Performing a Daily Health Check: Families should continue to perform the daily health check with your child(ren) prior to drop off each morning. If your child is not feeling well, please do not send them to school. The <u>BC Self-Assessment Tool</u> or <u>When to get tested</u> page are the most up to date resources to

Early Pick-Ups: Students needing to leave early are asked to leave at the beginning of one of the two outdoor recess breaks. They are to check out at the office, then exit through the main doors to be picked

recess breaks. They are to check in at the office then enter with their class.

This year our school has started a new three year school goal known as our FESL (Framework for Enhancing Student Learning). All schools in West Vancouver engage in this goal process to help develop a shared direction for learning with the stakeholders in their school community.

Our Goal Statement: How can one's sense of belonging and connection to our inclusive community be strengthened through fostering resilience and social emotional well-being in order to equip individuals to face challenges and thrive throughout their lives?

up at the top of the roundabout. Kindergarten to Grade 3: 10:10 am or 12:00 pm Grades 4 to 7: 10:10 am or 12:40 pm We thank you for your cooperation in following these procedures as they help minimize classroom disruption. **Not Returning Next Year?** Our work in the office is well underway to prepare for September and the 2022-2023 school year. If you know your child(ren) will not be returning to iDEC in September 2022, please notify Ms. Chung as soon as possible via email at JChung@wvschools.ca Thank you for helping us keep our records and planning up to date. **Our School Goal - FESL**

Our Whole School Inquiry Delivery Our essential question: How have the Bear Traits helped individuals you have discovered in your current inquiry make positive Caulfeild iDEC began engaging in a special day yesterday involving our second whole school inquiry unit of the year. On Wednesday divisions began meeting with their buddy class to share their learning about the individual they have discovered and researched with regard to their Bear Traits. Most will meet a second time to continue this sharing process. We call this step in our inquiry cycle the delivery phase. This is when students communicate their learning and even share further questions they have

PIC.COLLAGE Questions for families to ask our students today - Debriefing: Asking questions at home this weekend help students reflect on the Delivery phase of their inquiry. This is an example of the final 'D' in our inquiry cycle known as the Debrief. 1. What is something that you shared with your buddy this week? 2. What did your buddy share with you about their inquiry? 3. What Bear Traits did you talk about this week? Our whole school inquiry has kept staff and students busy since returning from Spring Break working and learning together on a common challenge that connects to our Bear Traits and an inquiry each

Kindergarten to Grade 3: 10:30 am or 12:40 pm

Throughout our school community, this goal will be something that supports our planning, decision making and focus across our Inquiry and Digitally Enhanced Community (iDEC). This week you will notice a special wellness opportunity for the adult Bears in our school community in the Community section below.

Book Fair

fun event for students and really supports our Library with all proceeds going directly to buy new books for our Library. More details of volunteer opportunities to come in a future E-Bulletin. **Grade 7 Year End Celebration** CPAC is looking for parent volunteers to start planning the annual year end celebration day for Grade 7s. We request that as well as enthusiastic Gr7 parents we have some lower grade parents(4,5,6) participate

in this committee too. On the celebration day in June we would like the Gr7 parents to enjoy the day with their kids and be part of a proud moment. During this time, the other volunteer parents from lower grades

can take care of all that needs doing. In turn, in the subsequent years we will have the next set of parents return the favor etc. Please email aneela.mallick@gmail.com if you would like to be a part of this working

group, or let your room parents know. The more the merrier, we are looking forward to having this day be more interactive than it has been in the last two pandemic years. **Bear Wear Sales are Now Open** Bear Wear sales are now open until April 17th, the estimated delivery window is the second week of May.
