- Access to this report closes on July 29th, 2022. We ask all parents to download a copy of the reports for future reference.

. . . And Now a Raven

It has been a pleasure learning and working with you over the last four years as principal of Caulfeild IDEC and Eagle Harbour. I have accumulated many fond memories in that time including the most recent Hockey Song remake sung to me at our final Showcase Assembly and the clap out at the end of the Gr. 7 Leaving Celebration. Both of these celebrations reflect the positive energy and strong community that exists as we all work toward #beingthebear.

I was reflecting on my own elementary school days recently realizing I could remember my principals, Mr. Proctor and Mr. Cook. I can recall stories and details about them . . . and that dates back over 40 years ago! This is a good reminder for me that my role as principal is both important and potentially (hopefully) long lasting. While I would be happy to remain in my current position for another four years, the opportunity to grow and learn at a new school is not one I can let pass by. I'm thankful to remain in the neighbourhood and I look forward to welcoming you all in Grade 8 when the time comes for you to come to Rockridge.

I am truly grateful for my leadership time at IDEC and will wear my Bear Wear with pride for years to come.

BYOD - Bring Your Own Device

Bringing your own device at IDEC is a cornerstone of how we learn in our intermediate classes (Gr. 4 to 7).

For new families to Caulfeild IDEC, please refer to this helpful guide with regard to purchasing a device for your child. If you are a returning family and are looking for a new laptop for your child, you may also find this document helpful.

For more information on getting ready for BYOD (Bring Your Own Device) please visit:

A Quick Parent Survey - Just 4 Minutes of your Time

We would be grateful if you could take 4 minutes to complete the short 11 question survey to help better guide us with actions to support our school goal. The survey is designed to have you respond about your interpretation of your child(ren)'s experience at Caulfeild IDEC. There is a short explanation at the top of the Google Form to help provide a little more background about our school goal which is also known as our FESL (Framework for Enhancing Student Learning). The survey is anonymous as no personal information is recorded.

The IDEC Variety Show 2022 - Part One and Two

Once again this year we have two videos to release showcasing the talents of our IDEC students. Many thanks to Mr. Santos for inspiring this annual celebration of talent. He has also been the behind the scenes editor of the videos so they can be shared and enjoyed throughout the school community.

Staff Announcements

We are happy to announce the arrival of some new staff to our IDEC team for September. Final placements have not been finalized at the time of publishing our E-Bulletin today.

Teachers

Ms. Lisa Sutcliffe is returning to Caulfeild IDEC in September to join our intermediate staff. Ms. Sutcliffe taught Gr.4&5 at Eagle Harbour this past year and is looking forward to returning to IDEC for September.

Coming from Bowen Island is Ms. Anna Bradford. Ms. Bradford joins us with a strong background in elementary education. Interesting fact . . . Ms. Bradford was even a student at Caulfeild for grades 5-7.

Joining our Inclusive Support team with Ms. Greenman and Mrs. Carsky is Ms. Melissa Hadfield. She will be working one day per week next year. She has a variety of learning support experience from secondary to elementary schools in West Vancouver.

EAs and Supervisors

These staff member updates will be provided in September.

School Supplies for September 2022

IDEC staff are well into the process of thinking about and planning for next September. Our teachers are pleased to offer the opportunity to purchase quality standardized school supplies through **School Start** for the 2022/2023 school year.

Supply kits are now available to order by phone, email or online and will be delivered directly to the school in September. School Start is offering early bird prize winning opportunities as an incentive.

Please click on the link of your child's grade for next year. You will then see the list of supplies. Next will need to create an account and then you can complete your shopping cart order.

Not Returning Next Year?

If you know your child(ren) will not be returning to IDEC in September 2022, please notify Ms. Chung as via email at jchung@wvschools.ca Thank you for helping us keep our records and planning up to date.

Lost and Found Display

As long as it is not raining we will put these three tables of lost or forgotten items outside at early dismissal. Please zoom in and see if there is anything that belongs in your child's room at home. At the end of the week we will need to bag up and donate items that cannot be stored here at the school. It seems like we may have a lot of thirsty Bears this summer if some of these water bottles don't get claimed today.

Last Day of School 2021-22

"The two most joyous times of the year are, christmas day and last day of school" Alice Cooper

We wish each and every student, teacher, staff and family member a wonderful and safe summer break. CPAC looks forward to welcoming you back in September and to another successful school year.
