

# K-3 Student iPad User Agreement 2022-2023

Dear Parents and Students,

Students will have the privilege of using iPads this year at Caulfeild iDEC. The iPads will be used as a tool to enhance their learning and engage students in unique and dynamic ways. The iPad is not a toy; it is a tool to help you learn. Families are responsible for reading this agreement with their child to ensure a clear understanding of the iDEC iPad expectations below.

I will use the iPads in a safe and respectful manner. This means:

- I will not take an iPad from the cart unless instructed to do so by my teacher
- I will have clean hands when using the iPad
- I will have a clean workspace when using the iPad
- I will have no food or drink near the iPad
- I will use both hands to carry the iPad
- I will return the iPad to the appropriate spot in the class for it to be cleaned after use

I will follow teacher instructions while using the iPad. This means:

- I will only use Apps and educational websites I am asked to visit
- I will not add, move, or delete anything on the iPad
- I will not alter or modify anyone's work except my own
- I will not alter or modify the iPad home screen
- I will ensure my iPad screen is in teacher view at all times

**Student Section:** The iPads belong to the school and must be used responsibly. If I do not follow the iPad expectations, I will not be able to use the iPad. If necessary, I will have a meeting with my parents, my classroom teacher, and Mr. Blackburn / Mrs. Hulme to review this agreement and decide when I am able to use the iPad again.

I \_\_\_\_\_ have read the Caulfeild iDEC Technology Agreement with my parent(s) and understand the expectations.
