Learning at IDEC

Hello Families,

It has been an eventful week here at Caulfeild. With the eclipse, Ultimate Frisbee, Physical Literacy Assessments, Body Science, Bob Baker and our Whole School Inquiry, we are digging deep into our learning.

Below you will find pictures from our **Whole School Inquiry** on "Grit" which began with students from all age groups working together to solve a complex problem. We were also happy to host Bob Baker in Division 8 to speak with students about the Canoe Journey of the Squamish People, and Elevate Disc Sports, who were in all week to work with students in grades 4-7. Thanks to CPAC for sponsoring this event for our Intermediate students.

Pick up and drop off: Please remember not to park or stop your car in the no-parking zones along Caulfeild Dr., Keith Rd. and Meadfeild Dr. Parking in these spaces causes visibility limitations for drivers and has created a situation where people have been seen swerving around parked cars. This creates unsafe situation for our students. If there are any parents who are free to volunteer to keep an eye on our students at these intersections during pick up or drop off, please reach out to me at nblackburn@wvschools.ca to learn how you can help.

Please join us in the library for the parent information session on **Digital Literacy** and online safety with Vice Principal Cari Wilson. April 24th from 4:00 - 5:00.

-Nathan

Band Registration and Information

If you have a child in grades 5 or 6, registration is now open for our 2024/2025 Band program at IDEC

Ms. Salmon's Band program is truly remarkable. Here at Caulfeild, students have two Band lessons a week. During this time, students will learn about music theory, performance and ensemble skills, as well as the technical aspects of playing their instrument. The program is designed not only to teach students these skills, but also as a preparatory program for the Band programs offered at each of our secondary schools.

Throughout the year, our Caulfeild IDEC band performs for the school at assemblies and performances, as well as at events in the community, such as the West Vancouver Community Cultural Festival. Band is an enriching and exciting program for students.

Reading Link Challenge

The Reading Link Challenge is a reading trivia competition that hundreds of West Vancouver students in Grades 4 – 5 participate in annually. Since January, Division 5 and 6 students have worked in teams of six to read and study the six novels.

Lise Nielsen, Youth Librarian at the West Vancouver Memorial Library, will host the **School-level Challenge** in the Learning Commons on Thursday, April 25th. The winning team will participate in the District-level Challenge at the West Vancouver Memorial Library on Thursday, May 9th!!

2024 Summer Learning with West Vancouver Schools

Are you interested in learning during the summer? West Vancouver Schools will be offering a robust Summer Learning Program for both elementary and secondary students during July 2024.

Online registration for both the elementary and secondary Summer Learning programs is now open. Elementary registration closes on May 10. Secondary registration closes on June 14.

More information about courses, locations, attendance etc. can be found on the Summer Learning information flyers ([elementary](#) or [secondary](#)) or on the [Summer Learning Website](#).

Text Messaging – For parents/guardians who would like to be notified of a school emergency such as power outages, severe weather or safety alerts via SMS

Please text a "Y" or "Yes" to 978338 to ensure you are on the list.

Visitor Protocol

All parent/caregiver, visitors and volunteers are required to enter via the front door, and report to the school office to sign in.

Parents and caregivers need to make prior arrangements before entering learning spaces during the school day (i.e., do NOT enter your child's classroom, even if it's just to drop off a lunch or project, these items should always be left at the office, so as not to disrupt the learning environment). This includes outdoor learning spaces such as the playground (recess).

Please do not "drop-in" on your child's teacher or other school staff. Email in advance or call the school to set up an appointment time. Staff are always happy to meet, but advance notice allows for us to give you our full attention at an appropriate time.

Following these guidelines will help keep all of the children safe and protect the learning environment

Caulfeild for the 2024 – 2025 School Year

As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school. We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge whether your child will not be returning to us in September (and we certainly hope he/she will be!). This will greatly assist us in knowing how many spaces are available. **Please note that if you are planning to return to Caulfeild, students are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024 - 2025.** If you know you will not be returning to Caulfeild please let Ms. Schier know in writing as soon as possible. cschier@wvschools.ca

Caulfeild is growing! As families and children come to our community, it is our responsibility to provide space for them at school. This will mean that a number of divisions will move to being multi age classrooms in 2024/2025. Caulfeild teachers are experienced teaching in multi-age classrooms, it is part of our heritage, and our collaborative structures and schedules make us uniquely positioned to do it very well. Research also shows that there are significant, positive effects on student achievement with multi age classrooms. For your information, class configurations are typically finalized in the first week of September. To learn more about multi age classrooms in West Vancouver Schools, click [HERE](#).

Daily Health Checks

Parents are asked to do daily health checks of children before sending children to school. As flu and cold season is upon us, we ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at caulfeild@wvschools.ca or the Call Back Line at 604 981 1205. Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

Call Back for Lates and Absences

Please remember to either **email us** at caulfeild@wvschools.ca or use the call back line (604-981-1205) if your child will be late or absent from school.
