### Learning at IDEC

#### 2024-2025 IDEC School Calendar

Hello Families,

Happy New Year! I hope you all had a restful and joyful winter break. As we return to school, we are excited to begin this next chapter at Caulfeild IDEC together. This term is a fresh start, and we are ready to make it the best one yet! We continue to encourage our students to "Be the Bear" by embracing our core traits: **Respectful, Reflective, Upstander, Inclusive, Creative, Tenacious, Curious, Vulnerable, Supportive, and Courageous**. These values guide our community in fostering an environment where every student can thrive academically and grow personally. With your support, we are confident this will be a term full of learning, growth, and success for everyone. Thank you for being such an important part of our journey!

There is a lot happening at IDEC in the weeks ahead. Today West Vancouver **Field Hockey** began a week long tenure teaching skills to each class. Tomorrow, our Grade 7 classes will **Flock to the Rock**, an engaging event for students to visit Rockridge and see the Grade 10 Basketball Team play against Sutherland Secondary. On Wednesday January 15th, we'll invite students to wear black for **Black Excellence Day**. Black Excellence Day is a day to rejoice Black history and learn about Black stories, Black art and Black people, and a day to stand in solidarity with Black Canadians. Thursday January 16th brings **Kindergarten Physical Literacy** visits, a great opportunity for our youngest learners to explore movement and fitness. As a reminder, please check the **Lost and Found** for any missing items, as unclaimed items will be donated after January 17th. Lastly, our **after-school programs** are in full swing, offering enriching activities for students to enjoy. Please check out the CPAC section on page two to learn more. We look forward to seeing everyone participate and make the most of these opportunities!

### West Vancouver Field Hockey

Our thanks to CPAC for their support in welcoming special guests to Caulfeild. This week and next, we welcome coaches Lauren and Erin from West Vancouver Field Hockey. Each class will have lessons and activities to learn more about this engaging and fun sport.

### Personal Digital Device Expectations

As we begin a new term, we'd like to remind students and families of our **Personal Digital Device (PDD) expectations**, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all!

### West Vancouver Registration

**West Vancouver Schools Registration Opens January 15<sup>th</sup>, 2025 . K-12 registration for both in-district and out-of-district students opens on January 15!** If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student.

To learn more about registration expectations and processes, please visit our admissions page: [West Vancouver Schools Admissions](#)

We look forward to welcoming new students and families to our vibrant and supportive school community!

### Reminder that School Starts at 8:30 am

We appreciate your best efforts to help Caulfeild have a successful start to each day, however we are noticing many students are arriving to school late. We strongly encourage students arrive and leave school during their scheduled times. We understand that there are occasional extenuating circumstances that cannot be helped. Please keep in mind that the staff at IDEC want all our learners to have the best possible start to their school day. Schedules and routines are extremely important to a child's development and academic achievement as key concepts and lessons begin at the start of our school day. Thank you for your cooperation in following these procedures as they help minimize classroom disruptions.

### Dress for the Weather

All recess periods will be outside regardless of the weather unless extreme conditions make outdoor play unsafe. Please ensure your children are dressed for outdoor play. With the amazing playgrounds and outdoor spaces we have at IDEC, embracing the natural world is an expectation. Outdoor recreation periods are an important part of a child's physical activity and social time. Please send your children to school equipped with raincoats, hats and boots for rainy days.

### Pick Up and Drop Off: Important Reminders

All students in K-7 will be dismissed at 2:30 pm, except on Wednesdays when we dismiss at 2:00. For orderly and quick dismissal, please park using the street parking and walk to the designated pick-up space near the top of the roundabout. With all students dismissed together, the driving through the roundabout should only be used by families who absolutely need to remain in the car, with priority for primary students, as we expect lineups to be busy and long. If you do not need to remain (outside and waiting), we may need to move you along and out of the line in order to keep traffic moving.

• Please **DO NOT** stop for pick up and drop off at the north side crosswalk on Caulfeild Drive. This is a no stopping zone because stopping puts students in dangerous situations. There are places to stop preceding and following the crosswalk. Check for signage. WVPD will support periodic enforcement of this area.

• Car (Gr. 7): Please use parking west along Caulfeild Drive so your child can safely enter your vehicle. Do not stop on Caulfeild Drive unless there is a parking space available. Please reserve at least two parking spaces near the front for students and families with accessibility needs.

### Daily Health Checks

Parents are asked to do daily health checks of children before sending children to school. As flu and cold season is still upon us, we ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at [caulfeild@wvschools.ca](mailto:caulfeild@wvschools.ca) or the Call Back Line at 604 981 1205. Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

### Call Back for Lates and Absences

Please remember to either **email us** at [caulfeild@wvschools.ca](mailto:caulfeild@wvschools.ca) or use the call back line (604-981-1205) if your child will be late or absent from school.
