Learning at iDEC

Hello Families,

We have some exciting events coming up at school, and we encourage all families to get involved! This Thursday, all students in Divisions 8-1 will participate in an engaging **AI Literacy** session led by District Vice Principal Cari Wilson. In these sessions, students will learn about Generative Artificial Intelligence. The idea is to give students a deeper understanding of how artificial intelligence is shaping the world around them.

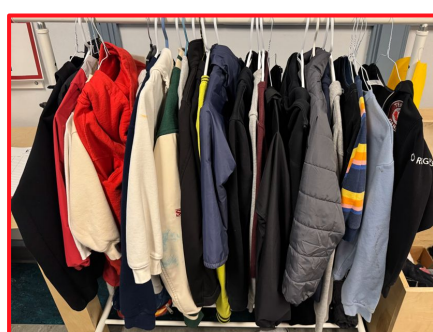

Earlier this week, on Monday, Divisions 6, 7, and 8 proudly presented their **whole-school inquiries**, inviting parents to explore their fascinating space-themed projects. It was wonderful to see the creativity and curiosity of our students as they showcased their learning.

Looking ahead, we are thrilled to invite you to our upcoming school performance of ***The Wizard of Oz*** next week on Thursday, March 13th. This beloved classic is sure to delight audiences of all ages, so be sure to get your tickets early! Beginning tomorrow (Friday) at noon, we are going to open up ticket sales to the waiting list, which means this is your last chance to guarantee your family tickets for the performance.

Doors will open at 5:00 PM, with the show starting promptly at 5:30 PM. We can't wait to see you there!

Lastly, a friendly reminder to check the **Lost and Found** before spring break. Any unclaimed items will be donated to a local North Shore charity over the March Break, so please take a moment to look for any missing belongings. Thank you for your ongoing support—we look forward to seeing you at these upcoming events!

The Wizard of Oz - Tickets and Information

We are excited to host our school musical, "The Wizard of Oz" with all students performing in both shows on March 13th! Two Shows; 10:40 and 5:30pm.

Due to the large size of our school, we must limit ticket sales to two tickets per family in total.

- Tickets: \$10 each, with all proceeds supporting the iDEC music program
- Purchasing Tickets: Tickets can be purchased through School Cash Online starting on February 28.

Additional Information:

- If families mistakenly purchase more than two tickets, extra tickets will be cancelled and refunded due to space constraints.
- To join the waitlist for extra tickets or to let us know your family will not attend, please email Catherine Schier at caulfeild@wvschools.ca.
- If extra tickets are available closer to the performance, we will contact families on the waitlist.

Thank you for your support, we look forward to seeing you at the show!

2025 Summer Learning with West Vancouver Schools

Save the date! Summer Learning registration opens on Monday, April 7 at 8:00 a.m. For more information, please refer to the Summer Learning information flyers ([elementary](#) or [secondary](#)) or the [Summer Learning Website](#).

Planning Ahead: Enrollment 2025 / 2026

As you plan your summer vacations, please remember that school resumes on Tuesday, September 2, 2025. We expect all students to be present on the first day (except for kindergarten, which will have a different start schedule), and all students must be at school by the end of the day on *Thursday, September 4, 2025*, to confirm enrollment at Caulfeild iDEC. Thank you for your cooperation—we look forward to another great school year!

If you are not planning to return next year, please notify Ms. Schier as soon as possible via email at caulfeild@wvschools.ca. Providing this information early helps with planning for the upcoming school year, ensuring that resources, class organization, and staffing are properly managed. Your timely response allows the school to make necessary adjustments and provide the best possible learning environment for all students. If you have any questions or need further assistance, please don't hesitate to reach out.

Student Learning Surveys

Each year the Ministry of Education and Childhood conducts a province-wide survey soliciting input from students in Grades 4, 7, 10, 11, and 12 and their parents/guardians as well as school staff members regarding satisfaction of school operations and student performance. The results from these surveys provide us with important feedback for our school and are helpful in developing our school goals and plans. However, this information is only useful if we have a good response from our community stakeholders. Your child will complete their survey at school in the coming weeks. You can learn more about the student survey [here](#). We place a high value on community involvement so we strongly encourage all parents to take advantage of the opportunity to share their views as well.

To complete the survey, which takes approximately 30 minutes, please follow the steps below:

1. [Click here](#).
2. You do not require a Logon # to access the parent survey.
3. Select the District (*45 West Vancouver*), School and language of preference and then click Log On.
4. Complete the survey by clicking on the appropriate bubbles.
5. Your survey has been submitted directly to the Ministry of Education when the window states, "Thank you for sharing your views."

Your responses are voluntary and anonymous, and your child will not be identified as a result of your participation in the survey. Any personal or identifying information will be deleted before results are stored. Data will be stored and accessible only within Canada.

The survey closes on May 2, 2025. Thank you for your time and feedback!

Personal Digital Device Expectations

As we begin a new term, we'd like to remind students and families of our **Personal Digital Device (PDD) expectations**, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all!

Pick and Drop Off: Important Reminders

All students in K-7 will be dismissed at 2:30 pm, except on Wednesdays when we dismiss at 2:00. For orderly and quick dismissal, please park using the street parking and walk to the designated pick-up space near the top of the roundabout. With all students dismissed together, the driving through the roundabout should only be used by families who absolutely need to remain in the car, with priority for primary students, as we expect lineups to be busy and long. If your child is not ready (outside and waiting), we may need to move you and out of the line in order to keep traffic moving.

• Please **DO NOT** stop for pick up and drop off at the north side crosswalk on Caulfeild Drive. This is a no stopping zone because stopping puts students in dangerous situations. There are places to stop preceding and following the crosswalk. Check for signage. WVPD will support periodic enforcement of this area.

• Car (Gr. 7): Please use parking spaces along Caulfeild Drive so your child can safely enter your vehicle. Do not stop on Caulfeild Drive unless there is a parking space available. Please reserve at least two parking spaces near the front for students and families with accessibility needs.

Daily Health Checks

Parents are asked to do daily health checks of children before sending children to school. As flu and cold season is still upon us, we ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at caulfeild@wvschools.ca or the Call Back Line at 604 981 1205. Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

Call Back for Lates and Absences

Please remember to either **email us** at caulfeild@wvschools.ca or use the call back line (604-981-1205) if your child will be late or absent from school.
