## Learning at IDEC

Hello Families,

Congratulations to all the students who participated in the **Reading Link Challenge!** Their enthusiasm, teamwork, and deep love of reading really shone through—we're proud of their efforts and dedication. Intermediate Classes have been enjoying sessions with **Elevate Ultimate Frisbee** this week. It's been a great way to build teamwork, physical literacy, and have some fun in the fresh air. Thank you CPAC!

**Dance Party!** Are you ready to dance? Join us on May 7th from 5:30 to 7:30 PM in the school gym for an unforgettable dance party featuring the one and only DJ & Emcee Rock'N'Beau! More details and tickets on Page 2.

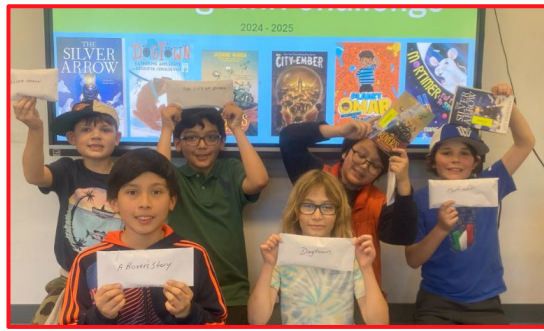

This year, the Scholastic Book Fair was a huge success! \$665 worth of books were earned from the Fair. In addition, families donated 48 books to classroom libraries. A big thank you to the parent volunteers who came out to help setting up and packing up the books and merchandise, handling the cash and debit transactions, and helping students find the perfect book!

Grade 7 students are looking forward to the **Ultimate Frisbee Jamboree** next week, where students will get to put their new skills to the test and enjoy a day of spirited play. Thank you to coaches Yu and Salmon for your dedication to the team.

We're excited to announce that a new screen will be installed in the gym next week. This will open up new possibilities for assemblies, performances, and whole-school events. Thank you to our CPAC and the hard working parents who have supported the fundraising for this initiative. The screen is part of a larger project to bring all new, interconnected sound and visuals to our students in our Gym.

**Student-Led Conferences** are coming up next week on Tuesday and Wednesday. Remember that both days are early dismissal at 12:10 for all students. It's a wonderful opportunity for students to take ownership of their learning and share their growth with you. Sign up closes on Monday at 3:00. See below for more details.

## Student Led Conferences - April 29 & 30th (12:10 dismissal)

We're excited to share that Student-Led Conferences are just around the corner! These conferences are a special opportunity for students to showcase their learning and reflect on their progress with their families and teachers. Each student will have a 10-minute time slot to lead a conversation about their learning journey.

Here's what families need to know:

- All families will be invited to take part in these conferences.
- These are not traditional parent-teacher meetings. The focus is on students taking the lead to share their growth and goals. If you want to discuss another matter with the teacher concerning your child, please set up a meeting for another time.
- **Students must attend** and be an active part of the conversation.
- Conferences may be held online or in person, based on family preference. If you choose an online option, please reach out to your teacher directly with the time that you have booked, and you will receive a Microsoft Teams link for your scheduled time.

Please note we have an Early Dismissal at 12:10 pm on both days for all students, and no hot lunch orders. The system for booking will be open until 3:00 pm Monday April 28. There will be no more bookings after this time.

## Band Registration and Information

If you have a child in grades 5 or 6, registration is now open for our 2025/2026 Band program. The Caulfeild IDEC Band program is truly remarkable. Here at Caulfeild, students have two Band lessons a week. During this time, students will learn about music theory, performance and ensemble skills, as well as the technical aspects of playing their instrument. The program is designed not only to teach students these skills, but also as a preparatory program for the Band programs offered at each of our secondary schools. Throughout the year, our Caulfeild IDEC band performs for the school at assemblies and performances, as well as at events in the community, such as the West Vancouver Community Cultural Festival. Band is an enriching and exciting program for students. Visit this website to register today:

## 2025 Summer Learning with West Vancouver Schools

Are you interested in learning during the summer? West Vancouver Schools will be offering a robust Summer Learning Program for both elementary and secondary students during July 2025.

Online registration for both the elementary and secondary Summer Learning programs opens on Monday, April 7 at 8:00 AM. Elementary registration closes on May 9. Secondary registration closes on June 13.

More information about courses, locations, attendance etc. can be found on the Summer Learning information flyers ([elementary](#) or [secondary](#)) or on the [Summer Learning Website](#).

## Planning Ahead: Enrollment 2025 / 2026

As you plan your summer vacations, please remember that school resumes on **Tuesday, September 2, 2025**. We expect all students to be present on the first day (except for kindergarten, which will have a different start schedule), and all students must be at school by the end of the day on **Thursday, September 4, 2025**, to confirm enrollment at Caulfeild IDEC. Thank you for your cooperation—we look forward to another great school year!

If you are not planning to return next year, please notify Ms. Schier as soon as possible via email at [caulfeild@wvschools.ca](mailto:caulfeild@wvschools.ca). Providing this information early helps with planning for the upcoming school year, ensuring that resources, class organization, and staffing are properly managed. Your timely response allows the school to make necessary adjustments and provide the best possible learning environment for all students. If you have any questions or need further assistance, please don't hesitate to reach out.

## KM Club is BACK!

We are excited to welcome the warmer weather that Spring brings, and with it, inviting our Caulfeild students outside! Get your running shoes ready! Friday, May 2nd marks the start of KM Club 2025! This is a great way for kids to get outside, improve their running skills and set goals for themselves! Ribbons will be awarded to students who reach their 10 km, 25 km, 50 km or even 100 km milestones.

Caulfeild students can run on the gravel field Monday, Tuesday, and Friday from 7:50am to 8:20am. Additionally, they can get their KMs in during PE. Remember, every 5 laps is 1KM!

We thank our parent volunteers and teachers for facilitating this fun opportunity. See you May 2nd and remember Caulfeild...you are not just earning ribbons, but glory too!

## Personal Digital Device Expectations

As we begin a new term, we'd like to remind students and families of our **Personal Digital Device (PDD) expectations**, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all!

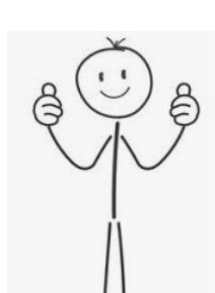

## Pick Up and Drop Off: Important Reminders

All students in K-7 will be dismissed at 2:30 pm, except on Wednesdays when we dismiss at 2:00. For orderly and quick dismissal, please park using the street parking and walk to the designated pick-up space near the top of the roundabout. With all students dismissed together, the driving through the roundabout should only be used by families who absolutely need to remain in the car, with priority for primary students, as we expect lineups to be busy and long. If your child is not ready (outside and waiting), we may need to move you along and out of the line in order to keep traffic moving.

• Please **DO NOT** stop for pick up and drop off at the north side crosswalk on Caulfeild Drive. This is a no stopping zone because stopping puts students in dangerous situations. There are places to stop preceding and following the crosswalk. Check for signage. WVPD will support periodic enforcement of this area.

• Car (Gr. 7): Please use parking spaces along Caulfeild Drive so your child can safely enter your vehicle. Do not stop on Caulfeild Drive unless there is a parking space available. Please reserve at least two parking spaces near the front for students and families with accessibility needs.

## Daily Health Checks

Parents are asked to do daily health checks of children before sending children to school. As flu and cold season is still upon us, we ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at [caulfeild@wvschools.ca](mailto:caulfeild@wvschools.ca) or the Call Back Line at 604 981 1205. Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

## Call Back for Lates and Absences

Please remember to either **email us** at [caulfeild@wvschools.ca](mailto:caulfeild@wvschools.ca) or use the call back line (604-981-1205) if your child will be late or absent from school.

#### Outdoor pickleball courts and pump track proposed near Gleneagles Community Centre

The District of West Vancouver is exploring the idea of constructing four outdoor pickleball courts and a new paved pump track near the Gleneagles Community Centre (GECC) to enhance recreation opportunities for residents in the western part of the community. This proposal could involve replacing the existing Bike Terrain Park and Skateboard Bowl located north of GECC.

The design for this proposal is in its preliminary phase and may be modified based on input from the community. The District of West Vancouver are seeking your feedback to help shape this potential project.
