March 16-27	2 weeks	Spring Break - school is closed
April 3	Fri	Good Friday - school is closed

[2025-2026 IDEC School Calendar](#)

Learning at IDEC

Hello Families,

On Tuesday, we celebrated **WVMEA (West Vancouver Municipal Employees Association) Appreciation Day** and want to extend a heartfelt thank you to all of you for the incredible work you do here at Caulfeild. The dedication, care, and hard work of our support staff make such a difference for our students and school community every day!

On Wednesday, some CPAC exec members and I attended the DPAC Liaison meeting with district leadership and the school board. I was proud to speak of the impact that the **Feeding Futures** program has at our school. Feeding Futures is a district commitment to ensure all students have universal, barrier free access to nutritious foods. Nutrition, alongside mental well-being and physical literacy, is a critical part of healthy human development. Supporting healthy eating at school is an integral part of the West Vancouver School experience.

Last week, as part of our transition activities to Rockridge, our Grade 7 classes attended "**Flock to the Rock**", a visit and senior level basketball game. Thanks to our friends up at Rockridge for the invitation!

Remember that tomorrow, Friday, Feb. 13th is Reading Break and Monday, Feb. 16th is Family Day. School will resume on Tuesday.

-Nathan

We raised \$1985 at [Jump Rope for Heart](#) for the Heart and Stroke Foundation. Way to go Caulfeild!

Planning Ahead

Enrollment 2026 / 2027: If you are not planning to return next year, please notify Ms. Schier as soon as possible via email at caulfeild@wvschools.ca. Providing this information early helps with planning for the upcoming school year, ensuring that resources, class organization, and staffing are properly managed. Your timely response allows the school to make necessary adjustments and provide the best possible learning environment for all students. If you have any questions or need further assistance, please don't hesitate to reach out.

Remember that School Starts at 8:30

We appreciate your best efforts to help Caulfeild have a successful start to each day, however we are noticing many students are arriving to school late. We strongly encourage students arrive and leave school during their scheduled times. We understand that there are occasional extenuating circumstances that cannot be helped. Please keep in mind that the staff at IDEC want all our learners to have the best possible start to their school day. Schedules and routines are extremely important to a child's development and academic achievement as key concepts and lessons begin at the start of our school day. Thank you for your cooperation in following these procedures as they help minimize classroom disruptions.

West Vancouver Schools and Personal Digital Devices (PDD)

As we begin the new year, we are asking all students and families to recommit to reducing cell phone use and to the school district's Personal Digital Device expectations. Consistent routines after the break help students re-engage quickly, keep instruction on track, and reduce distractions in shared spaces.

Expectations at a glance:

Elementary (K-7): Cell phones are not used during the school day, including before and after school and at recess and lunch times. Laptops may be used to support learning during instructional time, only with explicit staff permission.

Family actions that make a difference: Minimize adult cell phone use in and around school. Refrain from sending your child texts or calls during the school day; contact the office for urgent needs only. Review the school district's guidelines for personal digital device expectations. Help your child understand that when schoolwork requires technology that they need to choose a laptop over a phone as it helps to reduce distractions and support learning.

For a one-page overview of expectations, [see our Parent & Guardian Infographic](#).

Thank you for working with us to uphold these important expectations.

District Weather and School Closure Procedures

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via the school district website at www.westvancouver.schools.ca and a School Messenger email. We endeavor to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent. The decision will be communicated to parents and students using the school's normal communication systems. Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to this section of our website for the latest information.

School closures may also appear on several local news sources including: ● News 1130 <http://www.news1130.com/> ● CKNW 98 <http://www.cknw.com/news/> ● Global TV <http://globalnews.ca/live/bc/> ● CBC <http://www.cbc.ca/news/canada/british-columbia>

Did you know that it takes someone about 25 minutes to refocus on the task they were doing after being distracted by their phone?

The average teen gets 10 notifications an hour. Classes last 80 minutes.

YOU DO THE MATH!

Feeding Futures

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

West Vancouver Schools Admissions

K-12 admission applications for both in-district and out-of-district students opens on January 15! If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student.

To learn more about registration expectations and processes, please visit our admissions page: [WV Schools Admissions](#)

We look forward to welcoming new students and families to our vibrant and supportive school community!

Pick Up and Drop Off: Important Reminders

All students will be dismissed at 2:30 pm, except on **Wednesdays when we dismiss at 2:00**. For orderly and quick dismissal, please park using the street parking and walk to the designated pick-up space near the top of the roundabout. With all students dismissed together, driving through the roundabout should only be used by families who absolutely need to remain in the car, with priority for primary students. If your child is not ready (outside and waiting), we may need to move you along and out of the line in order to keep traffic moving.

- Please DO NOT stop for pick up and drop off at the north side crosswalk on Caulfeild Drive. This is a no stopping zone because stopping puts students in dangerous situations. There are places to stop preceding and following the crosswalk. Check for signage. WVPD will support periodic enforcement of this area.
- Grade 6/7 Pickup: Please use parking spaces along Caulfeild Drive so your child can safely enter your vehicle. Do not stop on Caulfeild Drive unless there is a parking space available. Please reserve at least two parking spaces near the front for students and families with accessibility needs.

Daily Health Checks

Parents are asked to do daily health checks before sending children to school. We ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at caulfeild@wvschools.ca. Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

Call Back for Lates and Absences

Please remember to either **email us** at caulfeild@wvschools.ca or use the call back line (604-981-1205) if your child will be late or absent from school.

CPAC Announcements

CPAC Volunteers

We are looking for people interested in shadowing our PAC Executive team for next September. Positions available for shadowing are Co-Chair and After School Program Coordinator.

Please email capac@wvschools.ca if you are interested.

Hot Lunch Program

Hot Lunch for our winter term is now open for ordering!

Did you know, profits from our hot lunch program go towards our school's fundraising. It's true! Your child can enjoy a hot lunch while fundraising for school programs!

New Parent Registration: <https://munchalunch.com/schools/Caulfeild>

Returning Parent Login: <https://munchalunch.com/login>

Note: All orders/changes require 8 days to be processed. (If you order on December 28th, by 9pm your child will receive lunch on Monday, January 5th).

2026 Vendors: • Panago Pizza • WellFed Catering • Subway • Foodie Kids • Donair Dude

If you need help, please email Carrie Johnson at cmalysh@gmail.com

After School Programs

We are pleased to announce that our after-school programs will start week of **January 5th**. You can register your child/children via the registration links below. Here's the winter lineup including a second Coding class for our experienced learners:

[REGISTER HERE:](#)

WV Community Events

Capilano University Access programs information session — March 5

Capilano University is hosting a [virtual information session](#) on Thursday, March 5 at 4 p.m. for students and their families to learn more two Access programs designed to support students with learning differences: [Discover Employability](#) and [Education and Employment Access](#). Both programs are full-time at the Capilano University North Vancouver main campus and start in September 2026.

While this information session is primarily designed for secondary age students and their families, Grade 6-7 families who are interested are also welcome to attend to learn more about future pathways, growth opportunities, and transition-to-adult life planning.

West Van Run! March 7th and 8th

We invite students and families to take part in this fun, community run and enjoy special discounted registration. Parents and students can register for \$45 using the code **WVSCHOOLS**, and children can join the Kids 1K for \$15 using the code **WVKIDS**. These codes can also be used by other family members who would like to participate.

Whether you prefer walking, jogging, or running, this event welcomes all ages and abilities. It's a great way for families to be active together and supports our shared commitment to health and well-being across West Vancouver Schools.
