Chair Report - Nessa Van Bergen

Thank you to everyone for coming out this evening. What a busy month it has been since our last meeting! Once back from Spring Break, the remainder of the school year will be equally busy with events very month.

Please join us on **Thursday at 1:30PM** for the **Nowruz assembly** to celebrate the Persian New Year. Many thanks to Nima and his volunteers for organizing this schoolwide assembly.

**Chartwell After School Care** – As announced last week, our new After School Care Provider has been determined through the District RFP process. Lorraine van der Poel of Top Drawer Daycare is here with us this evening and will be speaking to the group later.

**Learning Commons** – Mme. Trudeau and I continue to meet with the Facilities Department to work on the final room layout, costing, and construction timeline. We are very close to being able to articulate the final phase of the project and what we will need to fundraise to get to the finish line. The estimated budget for construction and updates (not including furniture) looks to be \$100-125K. The school district has earmarked \$50K so far and we currently have \$44K from the PAC. It is hoped that construction will be completed this summer. Stay tuned for more information on this important initiative!

**DPAC meeting on March 1<sup>st</sup>.** To be discussed in greater detail in the DPAC report. We will be emailing parents a form from the school district looking for feedback on Communicating Student Learning.

**Body Science** - **Monday, April 3<sup>rd</sup> at <u>6:45PM</u>.** We will have a 30 minute PAC meeting, followed by the Parent Orientation on Body Science from the Saleema Noon group. This is your opportunity to hear what topics will be covered in your child's grade. A Q&A session will be conducted at the end.

Another Parent Education opportunity is coming up on Wednesday, April 12<sup>th</sup> 6:30-8:30PM (this is also a fundraising event for the PAC)

Jesse Miller – Social Media Awareness

Social media and mobile communications have changed our world and the way our children communicate and socialize - are you keeping up with the changing technology? Are you comfortable parenting in the age of online communication?

Tickets are \$9.00 for non-Chartwell families and \$4.50 with a <u>discount code</u> for Chartwell families. The discount code is: CHART1

Tickets through Eventbrite: <a href="https://chartwell\_parent\_education.eventbrite.com">https://chartwell\_parent\_education.eventbrite.com</a>

His fees for this are \$350 and we are hoping to net \$500.

Ticket information will be in CTW.

PAC is also paying for Jesse Miller to present to the grade 4-7 students the following day on the topic of social media awareness and safety.

# In late September of the next school year, we are considering hosting a screening of *Screenagers*. <a href="https://vimeo.com/145826333">https://vimeo.com/145826333</a>

Award-winning SCREENAGERS probes into the vulnerable corners of family life, including the director's own, and depicts messy struggles, over social media, video games, academics and internet addiction. Through surprising insights from authors and brain scientists solutions emerge on how we can empower kids to best navigate the digital world.

\*There is a fee associated with the licensing and we would share revenue with the film once that threshold of ticket sales have been met. This would be a public event.

**FSA results** were published recently and Chartwell ranked the highest in 5 years. Chantal will discuss this further.

Lastly, it's hard to believe we are already talking about PAC positions for next year already! Call for nominations for 2017/2018 positions: you will receive an email outlining the various positions available on the PAC Executive Committee and Committee Chairs. Virtually every position is available, including the Chair position. I'm not sure I have the capacity to do that position alone next year and would happily welcome a Co-Chair or even give it up and serve in other capacities. The days and times of meetings have not been determined yet as it can be changed to accommodate board members in general, subject to the Principals availability.

Please take time to visit our Parent page on the school website to keep up to date on what the PAC is working on.

## **Principals Report – Madame Trudeau**

#### Volleyball

Team did very well, thank you to the tecahers and those that helped.

Teachers are very excited about the library commons project.

Jesse Miller has

Committee's – every teacher is involved in several comittees.

One of our most important comittees is the Rights Respecting School, we have an active committee and we meet monthly and have lots of events and initiatives.

We decided to postpone the walk for water until the first week after school break. The theme next term will be family day, pancake day will happen.

2 comittees that we are excited about in the district are self regulation and enquiry. Capstone project and with

District had posted a position for counselor, it had not been filled and now it has.

#### Mike Finch – Special Guest

Mike thanked Nessa for the invitation to join our meeting and the chance to talk about Sentinal and the transition from Elementary to Secondary for the Grade 7's.

Sentinal does as much as possible to smooth the transition from elementary to secondary. We are your neighbours and have a special relationship with Chartwell. We invite prospective parents to an orientation evening in January but at the same time we have our counseling teams in schools doing presentations for the students on what it is like to be a student at Sentinel. The students and counselors do that themselves and we find that it helps dispel myths that are out there. In addition to this we strive to open our doors to the elementary schools, last year the Chartwell Play presentation took place at Sentinal. Our dance teacher also goes out to Elementary schools in the district and conducts fun workshops.

The goal is, like I said to ease the transistion. In the summer we have our sport camps, this year we are offering multiple sports camp where kids get exposed to all the differet sports we have and not only do they get to play with kids from other elementary schools but they also get familiar with the school layout. Where the lockers and bathrooms are etc. By running these sport camps we increased enrollment of Grade 8 sports significantly from an average of 10 students per sport to over 50!

Towards the end of May we invite all the Grade 7's to spend 2/3 of a day with us. Chartwell and Westcot come in together along with 'out of catchment' kids. Kids come from all over Metro Vancouver to attend Sentinal. During the day they do lots of different activities and icebreakers. They are split into groups to conduct small scale sciece experiments, join in dance classes, take fun math quizzes, and sit with our leadership students in small groups so that they can ask the questions that are on their mind.

In september our leadership students (more than 50 students) are in the hallways wearing orange shirts to guide the new Grade 8's around and make them feel comfortable and at ease, it does a great job of calming nerves and making the transition as positive as possible.

Chartwell has 36 Grade 7 students this year who are going to be integrated with 235 Grade 8's and we found that the integration piece happens really quickly with the model we are using.

Mike Finch asked if anyone had any questions.

Nessa asked whether Sentinel is using Google classroom?

Most of the teachers do use Google classroom at Sentinal, all Grade 8 students are asked to come with their own device. It should be a practical device, not an expensive piece of equipment but it is importat that every student has access to the internet and has a keyboard.

Rola asked whether the teachers or students decide what clubs there are at Sentinal?

Mike Finch said aside from a few clubs that have become sustainable over the years and had a consistent stream of student volunteers, as they are run by students they can change each year. Grade 12's are looking for ways to show their leadership, they need to be as authentic as possible and therefore are based on their expertise and interests.. The process is that a student will come and say they want to start a club. They need to enroll subscriptions and a teacher sponsor. By the 3<sup>rd</sup> week of schhol in September there is a clubs day mainly targeting the Grade 8's. Its like a job fair where information is given on the clubs and students are recruited.

Rola asked about the Sentinal App?

A group of Grade 12 students from a couple of years back at Sentinal created an App for the school, 5 or 6 students spent 500 hours each writing the script and are still maintaining it from their universities in exchange for support from Mike Finch.

Incidentaly, one of those students recently dropped out of Colombia University as he was head hunted for a position with a major tech company in China.

Lissette asked about the Academies?

Mike said they started through sports and they have about 12 Acadamies now. Mechatronics has become a significant academy this year. They just got approval for a Hockey Academy sponsored by Hockey Canada, Students from all over the west coast and across BC have come to Sentinal especially for the Academies. Several Academies are all inclusive however some involve tri-outs and are selected based on ability.

Nessa asked for the name of the Grade 7 sports camps Mike had mentioned previously?

Spartans Sports Camps happen during Spring Break and students from Sentinal come to talk to the Grade 6's and 7's to tell them about it prior to that. It is very affordable. They run for 10 or 12 weeks and are run by student leaders. A great way to integrate with the school and the money raised goes back to the Elementary Schools as sports equipment.

Nessa thanked Mike for coming.

#### **Special Guests – Lorraine Van Der Poel; Top Drawer Daycare.**

Thanked us for having her and expressed her excitement at being the new childcare provider at Chartwell. She introduced her husband Sarel who will run through a quick presentation.

Thank you for the chance to work with Chartwell School. Lorraine has been involved with Daycare since after University. We came to Canada in 1997 and Lorraine worked for Top Drawer Day Care, the school had been running since 1979. Lorraine worked there for 17 years. Unfortunately the daycare's founder, Jennifer passed away, and Lorraine and Sorrel took it over 30 months ago.

Our philosophy is that they don't want kids to work out of school and into another school. We try to stay away from things that are not active. We have 2 ways of keeping the kids active in our program. One is an event and the other is an activity. Events take place during spring

breaks and pro-D days and include Hike's, pottery, museums, rock climbing, swimming, bowling, gymnastics, ice skating, visiting the beach, play parks etc. Activities happen daily and are shorter in duration and happen in school. Examples are :- Cross Fit, Yoga, Arts and Crafts

The system we use to pay for the events has worked for a while, we ask parents to put \$30 in an account to use for events. At the end of each month we ask parents to top it up to \$30. All events are optional and children don't have to go if they don't want or if the parents are not comfortable.

Sarel went through the budget to explain why the program costs what it does and to explain that even with a very lean budget and at full capacity Top Drawer will only just break even. As the licence at Chartwell is only for 17 students the cost per child is slightly higher than some other After School Care providers who have space for 40 children.

The cost for before and after school care is \$500 / child / month.

After school only is \$400 / child / month

Before school only is \$140 / child / month

Drop in fee is \$25 per child per day.

The program will start after spring break.

#### **Grade 7 Graduation Committee – Zara and Kylie**

TCBY dates have been set starting after spring break in addition to movie nights and a party meet and greet as a fundraiser. They are requesting help from Grade 7 parents and would love as much support and involvement as possible.

Please note - Price is going up for the TCBY it will be \$2.50 this year due to increased costs.

#### **Multicultural Night**

Stephanie Gregory is chairing the Multicultural night this year. Expect emails after spring break to organize the tables and enroll volunteers.

#### Family photo night -

Moving back to start of the school year due to declining number. We feel that holding the event at the start of the school year will raise more money as familieis may use the opportunity to take pictures for holiday cards.

#### Calendar

Calendar committee is meeting on 14<sup>th</sup> April, 2017 to prepare recommendations for the Superintendent

#### **Human Resources**

The first meeting of the Human Resources Committee was centred around funding resources allocated for teachers by the provincial government.

# WVSD Board of Trustees Liaison Report - WVBE, Chair, Sheila Donahue

The Government has approved a 29.4 million student learning grant for the province

BCSTA – Professional association that supports public education and advocates for the role of publicly elected trustees. It has announced that its President is not running for reelection.

Elections Engagement Committee is hosting Canadian School Boards Association Congress. Refocus on Ethical behaviour for School boards to follow.

WVSB is filing joint motion with North Vancouver School Board. The motion will focus on assessing and reviewing the funding formulas; last revised in 2009-10. The assessment will be done in collaboration with all school districts in the province.

#### WVSD Superintendent's Report - WVSD Superintendent, Chris Kennedy

Communicating Student Learning: has not been as big a conversation piece as expected. Would like honest feedback. Feedback of issues like timing for student led conferences etc. Looking for a range of views.

**Administration:** Deputy superintendent, Dave Eberwein is leaving the district. Measures to identify his successor are underway.

**Priority Measure Funding:** Every school has new staffing. Check in with principals for further information and feedback. West Vancouver has a declining number of new children entering the district. A study has been conducted to understand how many teachers and administrators reside in the district as they are known to be are more committed and productive if they live within the district.

#### **English Language Learners** – District ELL Coordinator, Maria Yioldassis

Ms. Yield assist has been in the district for 23 years started by teaching at Wescot and Irwin park. In her new role, she is to oversee all the ELL schools in the district. She also works as a teacher within the district. As the ELL lead she is looking into:

- Resources Time and materials
- Teachers new curriculum and new ELL standards
- Parents helping them understand
- Reaching out and keeping pace with current and best practices.

The number of students requiring ELL support are continuing to grow, year on year: 2015 -2016 = 13% increase. 2016-2017 9.7%

Elementary schools have 25%, secondary17.5%, district 21% ELL learners respectively.

This year west vancouver has been chosen as one of 8 districts to work with the ministry. West vancouver is a 4 level district. Ministry wants a 5 level setup (Beginning, Developing, expanding, consolidating, bridging) ministry funds each learner for up to 5 years.

Ms Yioldassis showed us what elementary and secondary school ELL setup structure looks like.

Maria also works as a teacher in the district.
