3. Special Guests

 Laura Magrath, new Principal of Chartwell Elementary School She was at teacher and Vice Principal at Bowen Island Schools. She has worked in both public and private schools. She has experience working at Outdoor schools, including Sea to Sky outdoor school. She has experience running a business and has been very active in environmental sustainability projects.

• Mike Finch, Principal of Sentinel Secondary School

Mr. Finch really appreciates the connection Sentinel has with Chartwell and wants the transition of 7th graders to Sentinel to be seamless and make sure they feel very welcome. There are tons of opportunities with the teachers connecting with the grade 6&7 capstone projects. This Fosters a very positive relationship between the students and teachers. Next year is the largest Grade 8 class ever at Sentinel, approximately 200 students. Forty to Fifty of the new grade 8 students are from outside of the catchment. Sentinel has great mentors to support the new kids.

Sentinel is introducing a Flexible Instructional Time (FIT). This is a 32-minute period after 1st period where kids empowered to select their own area of interest that they want to pursue in terms of study. It is very important that this is rolled out correctly to the grade 8, because they will be the first graduating class to see this through to graduation. During this time there will be structural support from teachers about specific topics to support the students. Sentinel is behind the curve in implementing something like this. Lots of other schools in the province already have successful programs like this up and running. To learn more about FIT click <u>Here</u>.

Spartans camp was cancelled this year. We didn't have enough kids sign up. Will try to reintroduce next year.

What do you see the role of the PAC at Sentinel? It has always been a positive role in the school. It definitely has a role as far as community outreach and fundraising.

- PAC financial support
- Empowering student leadership to tell PAC what they want and need. Then empowering them with the resources to make it happen.

Basketball Academy

Does Sentinel have a basketball team? Yes, and always looking for coaches for the sports team.

Can call for volunteers come out before school starts? Yes, there will be communication regarding this before each season starts.

Multi-Cultural Night

Another very successful evening with delicious food and great conversation. We made \$3697 on the night, some of this revenue was expensed for kitchen supplies for the event. It was brought to our attention that a business was being advertised at the event - there was a sign for a restaurant and flyers with a promotional discount were being handed out by some parents.

According to the school district's strict rules, no business can advertise or offer promotions on school property without express consent of the district office or Superintendent. This has been followed up with the parties involved and assurances made that it will not happen again.

If anyone has any recommendations on how we can improve or update the format of the event going forward, please e-mail me and we will consider for next year. We have made huge

improvements in being more environmentally friendly by encouraging families to bring their own plates and cutlery as well as supporting easy waste disposal and recycling and we would like to see this continue year on year.

Scholastic Book Fair -

Was a huge success- we sold \$5000 of product and we were able to keep \$2500 for future Scholastic product purchases.

The parents were truly amazing, and it is a tough job. Special thanks to Farzaneh who did a fantastic job in supporting the entire event once again.

Appreciation luncheon -

Wednesday June 19th from 12noon

Invite will be sent out to all parent volunteers (including class parents). Please rsvp so we can arrange catering accordingly. We will need to start as soon as lunch recess begins as time is limited, gratitude and gift presentations will be followed by a catered lunch.

Retirement party -

Thursday June 20th from 3.30-5.30pm. We are celebrating Madame Trudeau. Rose Johnston and Sue McCartney.

An invite has been sent to the district and to all parents. Please bring something to share at the afternoon themed potluck if you are able to attend.

We will be presenting gifts from the PAC - if you would like to contribute please drop off cash only to the office.

September -

We have many executive positions already filled. *Since our AGM meeting the Halloween committee chairs have been filled by Abir and Erica Long.* There are positions still open - Vice Chair, Korean Liaison, Volunteer coordinator and MCN coordinator. Please let me know if interested and this can be voted on at our first meeting in the new school year. We also want to fill the class parent spots as soon as we can once back in the Fall to establish communication between the PAC and the parents so please also bear this in mind. The PAC will be hosting our annual welcome tea on the first day back to school, Tuesday 3rd September, details will follow towards the end of the Summer Break.

Closing -

I would like to thank everyone for their support and their enthusiasm this year. It has been my pleasure to get to know more people at the school and work together to achieve our fundraising goals, enhance student learning & experiences at Chartwell and to have so much fun at all of the events and celebrations.

Other Business

Buses for primary picnic - there is only one bus available for that day hiring from West Van Secondary) so it will have to be a shuttle system Vote on Abir & Erica for Halloween Dance Committee

5. Committee Reports

Hot Lunch Report

Brenda Weeks

Next year we will be going back to having hot lunch 3 days per week. There are not enough parent volunteers, and the responsibility is falling on the same parents every week.

Hot Lunch profits 2018-19 school year: \$25,900 ALL of these funds used to enhance our children's education at Chartwell. The support of the entire school body is greatly appreciated!!

Reminder: CPAC does not provide single use cutlery or chopsticks. Please send your child to school with the appropriate utensils on Hot Lunch days.

Grade 7 Farewell

Rola updated on behalf of the committee that things are going well, they have exceeded their budget because they have added a few extra days and freezies than they originally thought they could!

They have had to ask on a few occasions for volunteers, which resulted in about 30 parent volunteers to run the three hot dog events and the weekly freezies/popcorn and pub night.

Rola Priatel

The graduation convocation will be held at the Sentinel theatre on Wednesday, June 26 at 10 AM, which will be followed by a banquet buffet luncheon at the school where teachers are invited. Ticket sales have gone to grade 7 parents, but we are still waiting for the majority of people to purchase three tickets (One child and two parents) and a yearbook!

The price is subsidized because of the extensive fundraising, however since we are catering a full event with Baci restaurant, photographer, band, florist and rental of tables and supplies, the price is still \$73 for the three tickets. We still have 17 parents who have not volunteered nor donated their portion. They will be followed up with and a reminder will be sent out through grade 7 teachers to ask the kids to remind parents to purchase tickets. Also, an email reminder will go out to the grade 7 class.

Rola also asked for extra time to explain how this process works for future years:

- If we choose to fundraise then the event must be held at the school due to liability issues with the school district.
- It is not necessary to do a full catered event as we have done for the last few years, it is up to the grad committee should they just wish to have a simple event with cake and lemonade as many schools do and save time especially if there are not enough people on the committee to volunteer their time and resources.
- Having the event at the school will ensure that the kids will also participate in the fundraising, which is the best part of this, bringing kids and parents together, but it is human resource intensive and unless there are enough people helping and at least two people coordinating it could get very onerous!
- Some schools, as we used to do here at Chartwell, choose to go out to a restaurant and just ask parents to pay the full price. This usually is prohibitive as price could get costly and it would not include children in the process so it is just a party which would not include the teachers attending. However, some schools choose to take this route in lieu of spending 6 months of fundraising.

<u>Main Point:</u> the grad committee can decide whatever they would like to do when they meet with the grade 7 students and parents at the beginning of the year and stick to the plan! Keep it as easy as possible so that parents are not overwhelmed as it could get overwhelming as we have seen year after year.
