Information: Student Learning Survey for Parents/Guardians of Students in Grades 4 and 7

Students in Grades 4, 7, 10 and 12, their parents, and all staff in B.C. public schools are invited to participate in an annual online student learning survey about their school experience. The survey covers a range of topics, providing a comprehensive picture of the educational experience in B.C. public schools. Your child will complete their survey at school this week. We encourage all parents to take the opportunity to share their views about their child's education. Parents are invited to share their feedback and complete one survey for each of their children in these grades. Surveys are available in 16 additional languages.

To complete the survey:

- Go to www.bced.gov.bc.ca/sat_survey/access.htm
- Under the section Direct Access – no logon number required select:
 - District 45 West Vancouver
 - Chartwell School
 - Choose your language preference
- Complete the survey by clicking on the appropriate circle to answer each question.

A reminder that the survey closes April 30, 2022. We appreciate your time in sharing your feedback!
