Have you ever thought about playing Rugby?!

The **West Vancouver Schools Rugby Academy** is fortunate to have Curry Hitchborn, the UBC Mens' Rugby Team Head Coach, as our lead instructor in this exciting program. All genders and skill levels are encouraged to participate as students learn both individual skills and tactical game play in a fun, collaborative, and safe environment (there is no tackling in the Academy program). The Rugby Academy is for students in grades 8 through 12 and takes place on Tuesdays and Thursdays from 1:30 to 3pm at Ambleside E turf. One way bus transportation is provided from all three West Vancouver Secondary schools and during the winter months, the Rugby Academy students also partake in some indoor cross training activities. For further information on the Academy, please follow the link:
