Information: Parent Preparation for the coming weeks

Please review the email sent out to families on Friday, January 7th regarding potential health or functional closures of Chartwell. Be sure you are prepared by staying in communication with the office with your preferred email and by contacting the office should your child be away (please specify illness if they are sick). Additionally, be sure you know how to access your child's Google classroom and can do so at home. We appreciate your support in maintaining a continuity of learning for our students should we require a temporary change to in-person learning.

Hot Lunch

- If the school experiences a health or functional closure, it may mean that we are unable to postpone or cancel hot lunch orders with enough notice for our vendors. In this instance, please remember that our hot lunch program is a fundraiser and we will be unable to issue refunds. If the closures are timed such that we are able to cancel orders with our vendors, credits will be issued to your account as we have done for this past week.
- We are still in need of volunteers to help sort and distribute lunches in the next few weeks. We have no-one signed up for the upcoming week currently so please if you can spare an hour between 11.45 and 12.45 on Tuesday, Wednesday or Thursday, sign up [here](#) - the same safety protocols apply as before. Please conduct a daily health check before coming into the school. Parents are required to sign in at the office upon arrival and masks are mandatory at all times. If you are feeling unwell and have to cancel your spot, please e-mail tamzyn.jones@gmail.com as soon as possible so we can make alternate arrangements.

Upcoming Dates

- Badminton club may have to be cancelled at short notice but we do plan to go ahead this week on Friday January 14th from 3.15-6.00pm.
- Our next General Meeting has been postponed for a week until Tuesday January 18th @ 7pm. This will be an online meeting and the agenda will be sent out next weekend.
