Hot Lunch

- Thank you to everyone who has signed up as a volunteer to help distribute hot lunch in the next few weeks - we couldn't run this programme without your help. We still need at least 1 volunteer on January 27th if anyone can spare an hour. Please sign up [here](#).
- Ordering for hot lunch in February will open later this week - look out for an exciting addition on Valentine's Day to support our Grade 7 fundraising goals. Volunteer spots will also be added through to April - we have to have these filled ahead of time.
- If your child is absent from school and will miss their hot lunch order, you are welcome to come and collect it as long as you communicate with the office that you plan to do this and they will advise a suitable pick-up time/location.
- If the school experiences a health or functional closure in the coming weeks, it may mean that we are unable to postpone or cancel hot lunch orders with enough notice for our vendors. In this instance, please remember that our hot lunch program is a fundraiser and we will be unable to issue refunds. If the closures are timed such that we are able to cancel orders with our vendors, then we will issue credits to your account as we have done for this past week.

Upcoming Dates

- Next General Meeting - Tuesday January 18th @ 7.15pm (online). A Teams link will be sent out on Tuesday.
