We are looking for volunteers to help at this year's District Track and Field Meet on **June 9th** at Swangard Stadium. This is a full day event and parents would be required to meet early at Swangard and will be given a specific job to do. If you are a parent/guardian of a student in Grades 4-7 and would like to volunteer, please email Alysha Philip aphilip@wvschools.ca. Please include your child's name and division along with your name, email address and phone number. We will be contacting all parent volunteers in the coming weeks to share further details.

Student Led Conference

On Wednesday, May 25th, families are invited to come into the school from 9-10:15am for our Student Led Conferences. Students have been preparing ways to celebrate their learning with their families and tour them to various locations on site. Teachers may send out specific information asking you to RSVP for the morning to ensure students have someone to share their learning with on that morning. We appreciate your flexibility in parking off-site and walking into the school. The lower field will be open for parking from 9-10am if parents wish to enter from Sentinel Secondary School's round about. If you choose to park in the lower field, please adhere to signs and please ensure you have left by 10am so the field can be reopened for recess.
