Information: Just B4 Preschool at Chartwell in September!

Just B4 is a preschool program for 3 and 4 year old children who will be entering Kindergarten in September 2023. Using the Early Learning Framework and First Peoples Principles of Learning as our curriculum, our Early Childhood Educator will engage with children in play-based, experiential learning activities that support children's cognitive, physical, social, and emotional growth and development. Each day will include opportunities for free play, school community connection activities (e.g. library, gym, play with the Kindergarten class), story time, outside play, structured play-based learning activities, and snack (provided by families). Our planned hours of operation will be Monday –Friday from 9:00-11:45am with options for full or part-time attendance. Please note that we are NOT able to accept registrations until we are licenced by Vancouver Coastal Health and the District of West Vancouver. We are working hard to ensure this process moves quickly. If you or families you may know are interested in this program, please contact Principal Laura Magrath (lmagrath@wvschools.ca)

Thank You and Goodbye to the CPAC Executive 2021/22

To everyone who has held a position on the Executive or is a Committee Chair - we are deeply grateful for your enthusiasm, your positivity and your support this year. Special thanks goes to Nessa van Bergen for all she has contributed to the CPAC over the past 11 years. She has been Chair, Co-Chair, Halloween Dance Coordinator, Treasurer, Spiritwear Rep. and Grade 7 Farewell Coordinator (twice) as well as a class parent in her first year at Chartwell so that makes it 12 years as an active member of the Chartwell community. She has given her time generously and shared her knowledge as members of the PAC have come and gone and always provided guidance and wisdom where it is needed.

To those who are graduating from Chartwell this year - Carrie Haver & Diane Shoar - we wish you and your families the very best as you enter into the next chapter.

To those who are leaving not only Chartwell but Vancouver for now - Lisa DeSalvo Harris, Laurel Klotz & Abir Saadi Cosyn - we wish you a fun filled adventure, may your new schools feel as lucky as we were to have you in our community. We couldn't have done it without you and you will all be missed greatly!
