### **Optional Accident Insurance for Families**

Each year the school district reminds families that they have the option to purchase insurance coverage against accidental injury, unexpected medical expenses and critical illness. One option is *The Family Accident Reimbursement Plan (FARP) provided by Industrial Alliance*. This voluntary plan provides coverage for students and their families against accidental injury, unexpected medical expenses and critical illness. As always, families are encouraged to do their due diligence when choosing a provider. Learn more here:
