Transforming our spaces!

As the year comes to a close and we reach closer to our goal I wanted to share an exciting update. Our goal of \$80 000 was lofty and in consultation with our distributor we feel \$60 000 will provide us with enough funds to ensure every classroom is updated with new seating for all students.

Due to the generosity of many of our families our goal is in reach!

GOAL: \$60,000
