# Transforming our spaces!

As the year comes to a close and we reach closer to our goal I wanted to share an exciting update. Our goal of \$80 000 was lofty and in consultation with our distributor we feel \$60 000 will provide us with enough funds to ensure every classroom is updated with new seating for all students.

Due to the generosity of many of our families our goal is in reach!

## CHARTWELL SPOTLIGHT ON LEARNING

### Congratulations Chartwell Division 7!

Grade 4/5 students in Division 7 recently took part in the eighth annual Let the Kids Design the Ad project in collaboration with the North Shore News. This enriching experience provided students with the chance to engage with our community and exhibit their creativity by crafting advertisements for local businesses.

Businesses had the challenging task of selecting one ad from all submissions to feature in the special Let the Kids Design Your Ads section of the North Shore News. We are proud to announce that five local businesses chose ads created by our talented Chartwell students in Division 7. These selected ads were published in the newspaper and circulated throughout the North Shore on Wednesday, May 29, 2024.

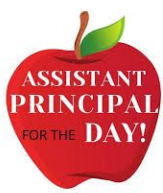

In a further celebration of our students' artistic endeavors, all the ads were showcased in an online gallery. We are so proud of our students and grateful for the opportunity to participate in such a special project.
