May 29, 2025 **NEWS AND IMPORTANT INFORMATION BULLETIN**

Dear Chartwell Families,

Morning drop-off can be a busy time, and we truly appreciate your efforts to keep our traffic moving safely and efficiently. One small change can make a big difference: please pull all the way forward in the roundabout before letting your child out. When drivers stop at the driveway entrance instead of filling the circle, the line slows down and only one student can unload at a time. By pulling up, several cars can unload together—getting everyone on their way faster!

We're asking families to be traffic kind—pull up, park briefly, and keep the line moving.

We also need your help encouraging students to be "Traffic Safety Champions". Talk with them about what you can do to model kindness, mindfulness, and teamwork in the drop-off zone.

And... something fun is coming next week to help drive the message home! Keep an eye out for Ms. Bell and Mr. Parslow—we'll be hard to miss.

Thanks for your continued support in making mornings safer and smoother for everyone!

Ms. Bell
Principal

PARENT CLASS PLACEMENT INPUT FORM - Optional

In June, each year, we begin the process of planning for the next school year. If there is information that you feel the principal should consider when placing your child, parents may wish to complete the [Optional Placement Input Form](#).

Many hours and great care is taken with regard to the placement of every child in order to honour their individual learning style and create the best learning environment for all children.

If you would like to share your input with regards to your child's placement next year, please complete the Student placement Input Form 2024-2025 and email it to Chartwell@wvschools.ca by **Monday, June 16**.

In order for our school team to follow the planning timeline we cannot consider late submissions.

2025-2026 SCHOOL SUPPLIES

School Supplies - EASY ONLINE ORDERING

To make things easier for families, we have an online school supply ordering system. You can see the supply lists and order everything in one place. This is often cheaper and faster for families.

All the items on the list are required. But if you already have some of the *optional* items (in good condition), you can use those instead.

Supplies will be sent to the school with your child's name. You do **not** need to send them to your home.

When you order, please choose the **grade your child is going into next year**.

CAMP OCTOBER 2025

Each year, one of the most memorable and meaningful experiences for our Grade 7 students is Outdoor School, and we're thrilled to share that **next year's Grade 7s** will be attending the incredible Keats Camp in early October.

To support families in learning more, we will be hosting a Grade 7 Outdoor School Information Session on **Thursday, May 30 at 3:00 PM in the school library**. If you are unsure about giving consent for your child to attend, we strongly encourage you to come to this session. We'll be sharing trip details, answering questions, and discussing how we help ensure all students feel safe and supported during their time away.

We are so excited to continue this Chartwell tradition and hope your child will be part of it. The impact of Outdoor School is profound—and we can't wait to see the strong, connected leaders our Grade 7 students will become as a result.

Planning Ahead: Enrollment for 2025–2026

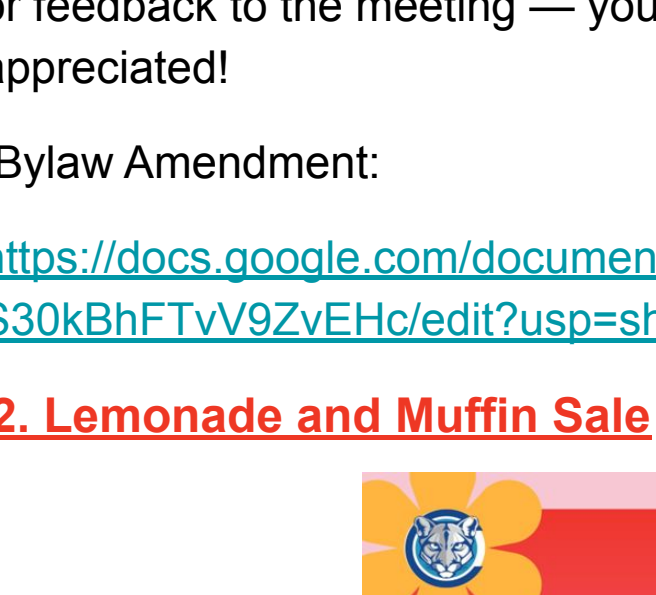

As you begin planning your summer holidays, please note that school will resume on **Tuesday, September 2, 2025**. We expect all students to attend on the first day of school (with the exception of Kindergarten students, who will follow a separate gradual entry schedule).
