SPRING CAMP ADVENTURE AWAITS!

PROGRAM INFORMATION 2026

We're thrilled to announce our exciting Spring Camp program, designed to fill your child's days with fun, exploration, and creativity!

- Outdoor Adventures Galore!

Most of our program takes place outdoors, with field trips and activities to keep the kids active and engaged. Even during outings, we have thoughtfully planned games and surprises to make every moment special!

- Come Rain or Shine

Our days are planned with flexibility in mind, so we're ready to adapt to weather or unexpected surprises.

- Basecamp: Chartwell School

Our main hub is the wonderful Chartwell School in West Vancouver. Transportation is provided for our North Vancouver families to ensure everyone can join the fun!

- Priority for Our Daycare Families

We are committed to being fair to parents already enrolled in our daycare program. Therefore, the fee structure for the Spring Break camp differs for our daycare students compared to external participants. As always, our daycare families are given the first opportunity to secure spots, with any remaining availability then opened to others.

We take pride in offering the most competitively priced Spring Break program in our neighborhood. Our commitment to affordability ensures that our families receive exceptional value, and we encourage you to compare our rates with those of other centers. Our fees cover entrance, transport, activities, daycare rental, and staff hours, with no deductions from your activity fund.

As we are serving three schools this year, our spots are limited. To avoid disappointment, we encourage you to save your spot as soon as possible.
