

Chartwell Elementary School

Technology User Agreement: K-3

2026 - 2027

Dear Parents and Students,

Students may have the privilege of using iPads this year at Chartwell. The iPads will be used as a tool to enhance their learning and engage students in unique and dynamic ways. The iPad is not a toy; it is a tool to help you learn. Families are responsible for reading this agreement with their child to ensure a clear understanding of the Chartwell iPad expectations below.

I will use the devices in a safe and respectful manner. This means when using the devices:

- I will have clean hands
- I will have a clean workspace
- I will have no food or drink near by
- I will use both hands to carry them

I will follow teacher instructions while using the devices. This means:

- I will only use Apps and educational websites I am asked to visit.
- I will not add, move, or delete anything on the devices.
- I will not alter or modify anyone's work except my own
- I will not take pictures of other people without their permission.

The devices belong to the school. It is a privilege to use them, not a right. If I do not follow the Technology Expectations, I will not be able to use them. If necessary, I will have a meeting with my parents, my classroom teacher, and Ms. Bell to review this agreement and decide when I am able to use the devices again.

I have read the Chartwell Technology Agreement with my parent(s) and understand the expectations.

Parents Please Read Below

Students at Chartwell Elementary may be using devices in the classroom. The devices, including iPads, will support student learning across grades. The devices are not a toy; they are a tool to help your child learn. The devices belong to the school. It is a privilege to use them, not a right. If your child does not follow the technology Expectations, they will not be able to use them. If necessary, they will then have a meeting with you, their classroom teacher and Ms. Bell to review this agreement and decide whether or not your child will be able to use the devices again. Please review the Technology agreement with your child and ensure the expectations are understood. Students will not have access to the iPads until the agreement is signed and returned.
