

American and UK University Applications

All applications, if the option exists, must be completed electronically. You must also give your teachers/counsellor/IB Coordinator an updated student profile if you want your application completed.

American Universities and Colleges

Early Decision American Universities

For early decision, all electronic forms must be completed and teachers informed via email by October 1st. All paper forms must be filled out and given to teachers and counsellors/IB Coordinator in a 9" x 12" envelope with a mailing label. If you do not meet this deadline, your application may not be completed.

Regular Decision American Universities

For regular decision, all electronic forms must be completed and teachers informed via email by December 1st. All paper forms must be filled out and given to teachers and counsellors/IB Coordinator in a 9" x 12" envelope with a mailing label. If you do not meet this deadline, your application may not be completed.

Mid-Year Reports

It is your responsibility to tell your counsellor/IB Coordinator when you want them to fill out the Mid-Year Report. If a paper form is required, you must give the form to the counsellor in a 9" x 12" enveloped with a mailing label. You must give two weeks' notice.

UK Schools

Applications to Oxford and Cambridge

Applicants must start this process in the summer before grade 12 and find out what the deadlines are. If you want to be interviewed in Vancouver you need to apply by September 15th so you must inform your counsellor/IB Coordinator on the first day of school in September of your intention of applying. Certain programs also require that you take tests. **DO YOUR RESEARCH!**

Applications to Medical School in the UK

Applicants must inform your counsellor/IB Coordinator by September 15th and make sure you are registered for the required tests.

All other UK applications

Applicants must inform your counsellor/IB Coordinator three weeks before the application deadline.
