INTENTION FORM 2022-2023 School Year

Dear Parents/Guardians,

It may seem early to be asking whether you expect to be back next fall at Cypress Park Primary School, however, January is actually the time in our district when we start to project our numbers for the 2022-2023 school year. We are trying to predict as closely as possible whether or not we have room for those new students anxious to join our school.

We understand that job transfers happen, and relocations can occur without much notice. However please indicate to the best of your knowledge whether your child will be back with us in September (and we certainly hope he/she will be!). This will greatly assist us in configuring the classes and in knowing how many spaces are available.

Please fill out the form and return it to the "Intentions Box" at the school office, by **Monday, January 31st 2022**. Thank you in advance for helping with this.
