

January 5 - Trustee / Admin / DPAC Liaison Meeting

In lieu of our January meeting, we will be holding our annual liaison meeting on Wednesday January 5th, 9:15 am online. The format is similar to last year; each school is invited to include 1 administrator and 3 parents (typically the PAC Chair and DPAC Rep) and registration will take place through the school Principals. Once school resumes in January a Zoom link will be sent directly to all registered participants from West Vancouver Schools.

This event will feature presentations from 6 school teams around three key areas, each followed by a breakout session that will be sparked by the presentations. The breakout discussions will focus on three questions: What are we noticing in this area coming out of COVID? What are we doing? How can parents help?

The proposed agenda for the morning is as follows:

9:15	Welcome and Opening Remarks	Carolyn Broady & Kelly Richter
