

It has been a short, but very busy week here at Eagle Harbour! On [Twosday](#) we celebrated the once-in-a-lifetime occurrence of a palindrome date 22-02-2022 - The date is so rare the National Weather Service says a "Twosday" won't happen again for another 400 years, in 2422.

As if [scouring the school for 222 hidden twos](#) wasn't enough excitement, all the staff wore twotwos and we had a 'two' themed playlist playing in the hallways (think 'Ruby Tuesday' ++). A shout out to Ms. Sutcliffe, who orchestrated all the crazy twoness!

Wednesday we were all looking through rose-coloured lenses at a sea of pink in support for the national anti-bullying Pink Shirt Day campaign. The afternoon was a big flash mob dance party outside ... Just how much fun can we have in one week? The answer is A LOT!

## LATE ARRIVALS AND ABSENCES

Schedules and routines are extremely important to a child's development and academic achievement as key concepts and lessons begin at the start of our school day. When students are late they:

- miss the chance to meet with their teachers and peers at the door to start the day
- miss the routines and structures that each teacher strategically plans to promote self-regulation to help students get settled in a calm manner
- add a great deal of work to our office staff as we need to ensure each student is accounted for, signed in, hand sanitized and delivered to class.

We realize each family juggles many schedules and expectations and we are grateful that your planning includes ensuring that each of our students is supported with the ability to start the day right. In the event of an absence please be sure to call 604.981.1380 or email the office at
