FAREWELL AND CONGRATULATORY MESSAGES TO EHMS STAFF

Every year in June there is staffing news that we have to share that has *a new beginnings feeling* . . . but also one that involves saying good-bye and in some cases congratulations. This year we will have some changes to our EHMS team and these wonderful staff members are going to be taking on new challenges in the educational world.

Mr. Kolkea has been with us for 4 years and those years have been filled with laughter, joy and the most extraordinary of times in our world. Through it all he has guided our little school in the woods with compassion, understanding and an unwavering sense of calm, always putting the needs of our students, staff and community first. He is in many ways the living version of our beloved school drum - the heartbeat of all that we do. He will be missed but he will always have a home here at our " little school in the woods".

Mr. Gemmell has only been with us for a short time this year, but what an impact he has left on our school. As the ELL teacher he brought the gift of words and the power of voice to our ELL learners. His positive energy and easy going nature will be missed. He developed strong connections with all our staff and students. We wish him well in his future endeavors.

Ms. Sutcliffe has only been with us for one year and has left a huge impression on our school. As the Upper Elementary teacher and Mr Price's partner she brought the gifts of creativity, excitement, writing and joy to our Upper Elementary learners. Her creativity and joy for teaching and learning will be missed. We wish her well in her future endeavors.

ULTIMATE FRISBEE FOR SUMMER

If you are looking for an outdoor, physically active, and FUN summer camp for your students, check out Elevate Ultimate's Disc Golf and Ultimate Frisbee [summer camps](#)! The camps are running at Hugo Ray Park in West Vancouver and other locations on the North Shore every week of the summer.

Ultimate frisbee is a mix of basketball, soccer, and football, and involves lots of running and jumping. However, disc golf is a bit more of a cerebral sport where athletes try to get the disc in the basket in as few shots as possible. It is a great way to stay active without getting exhausted. Both options are very safe and are staffed by professional and fun coaches.

Elevate Ultimate is owned by Ari Nitikman and Danie Proby, both of whom have represented Team Canada in Ultimate Frisbee, and they most recently won Best Youth Entrepreneurs awarded by Small Business BC.

For more information, please [CLICK HERE](#). Please use code Elevate15 for \$15 off any summer camp!
