FAREWELL BUT NOT GOODBYE - JUST YET

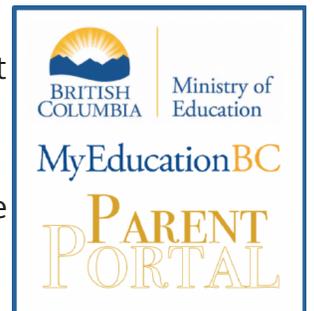

It is with mixed emotions that we share with our community this farewell news. **Mrs Legg** and her family will be moving to Vancouver Island this month to begin a new adventure. Her last day with us will be January 20th. While we are very excited for her and her family, our "little school in the woods" will not be the same. Mrs Legg is the first voice you hear on the phone, the giver of hugs and band aids, the smiling face when you arrive and the one who always has time to hear your stories. She has been with us for 5 years and those years have been filled with laughter, creativity and joy. She has helped us through the most extraordinary of times in our world - always finding our north star and putting the students, staff and community first. She will be dearly missed and will always have a home here at our " little school in the woods".

STUDENT AND FAMILY AFFORDABILITY FUND

The Ministry of Education has provided West Vancouver Schools \$650,000, a one-time funding for us to make the 22/23 school year more affordable for students and families in need. We have now received the funding for our 18 schools and have allocated the money based on the specific needs of each of our school communities.

Our allocation:

- Will allow schools to cover costs for school fees, school supplies or other school related costs for students in need
- Some funds will be used to benefit large groups of both elementary and secondary students

Families are encouraged to reach out to our vice principal, Ms. Tobin dtobin@wvschools.ca if any financial support is needed for school-based supplies, fees or activities.

DAILY HEALTH CHECK REMINDERS

Performing a Daily Health Check: Families should continue to perform the [daily health check](#) with your child(ren) prior to drop off each morning. If your child is not feeling well, **please do not send them to school**. The [BC Self-Assessment Tool](#) or [When to get tested](#) page are the most up to date resources to determine if you need testing.

Some very helpful information from Vancouver Coastal Health about [WHEN TO KEEP SICK KIDS HOME](#) from school. Check it out. It has been updated since last week.
