

TOMORROW IS A BIG DAY!

PLEASE REMEMBER YOUR NON PERISHABLE FOOD ITEMS OR A CASH DONATION TO HELP US BUY 30 LICE KITS

TO HELP SUPPORT OUR SISTER SCHOOL ADMIRAL SEYMOUR

Each year during the winter holiday season we choose to help others who need a little extra support at this time of year. This year with Tara (Hank's Mom) back on our PAC we asked her to reach out to our sister school Admiral Seymour. Our relationship with the school goes back many years, and we have often collected donations for them around the holidays.

When Tara reached out to see how we could support this year, Admiral Seymour asked us for **GROCERIES** to help families when they are in need.

They also had another ask: "Like all kids – all over – Seymour kids get lice! In the last few months, the staff have had many requests for **LICE KITS**, or for financial help to try to get rid of the lice. It becomes such a bigger program when you don't have your own laundry facilities at home, or when you don't have the extra bits of money to buy the many loads of laundry to try to get rid of the critters! It seems like a little thing – but it's a very hard hurdle for many."

To this end our children will be holding a special **DRIVE THRU FOOD DRIVE ON TOMORROW DECEMBER 14TH DURING DROP OFF. Starting at 8:00am on December 14th the children will be out front accepting non perishable food items. Anything you can do to help is greatly appreciated.** Tara will be with us too to collect **CASH** donations to buy **30 lice kits** that our sister school can keep on hand to give out to families when they are needed.
