POETRY WRITING WITH THE UPPER ELEMENTARIANS

The Journey to the lake

*In a lake with no cake
You will find a stomach ache
But upon that good good taste
You will find an empty place
In that empty place there was a race
But we are looking for a real race
Not a race with no pace
So if we don't find a race with no pace
We will never win the race
So don't stop by and surely don't cry
Because if you'll win the race
You will find a sugar pie!!!*

LATE ARRIVALS AND ABSENCES

Schedules and routines are extremely important to a child's development and academic achievement as key concepts and lessons begin at the start of our school day. When students are late they:

- miss the chance to meet with their teachers and peers at the door to start the day
- miss the routines and structures that each teacher strategically plans to promote self-regulation to help students get settled in a calm manner

We realize each family juggles many schedules and expectations, and we are grateful that your planning includes ensuring that each of our students is supported with the ability to start the day right. In the event of an absence please be sure to call (604) 981 - 1380 or email the office at aatkinson@wvschools.ca or jmackenzie@wvschools.ca.

2024 SUMMER LEARNING WITH WEST VANCOUVER SCHOOLS

Are you interested in learning during the summer?

West Vancouver Schools will be offering a robust Summer Learning Program for both elementary and secondary students during July 2024.

More information about courses, locations, attendance etc. can be found on the Summer Learning information flyers ([elementary](#) or [secondary](#)) or on the [Summer Learning Website](#).

DAILY HEALTH CHECK REMINDERS AND NOTICES

Parents are asked to do daily health checks of children before sending them to school. As flu and cold season is upon us, we ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence by emailing Ms. Atkinson aatkinson@wvschools.ca or calling 604-981-1380. Parents are also reminded that communicable diseases should be reported to your classroom teacher or to the school office. This would include lice, chicken pox, measles, etc.
