WEST VANCOUVER SCHOOL DISTRICT

West Vancouver School District endeavours to keep schools open on regular instructional

days, including those with accumulating snowfall ([Weather Closures and Procedures](#)). Any decision to close schools will be made by the Superintendent and will be based on the safety of students and staff. We aim to communicate any decision to close schools by 6:00 am. Please check the [school district website](#) for the most current information on school closures.

ADMISSIONS 2025–26

K-12 registration for both in-district and out-of-district students opens on **January 15!** If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student.

To learn more about registration expectations and processes, please visit our admissions page: [West Vancouver Schools Admissions](#)

We look forward to welcoming new students and families to our vibrant and supportive school community!

Personal Digital Device Expectations for the New Year

As we begin a new term, we'd like to remind students and families of our **Personal Digital Device (PDD) expectations**, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all! Thank you for your partnership and continued support in making this initiative a success.
