## WINTER FUN

Run, jump, climb and spin,  
Sun on your face, breeze on your skin.  
Jacket zipped when the wind is cold,  
Layers keep you warm and bold.

Raincoat on when puddles call,  
Boots that dry to jump and squall.  
Play all day on grass or ground—  
We love to play outside, safe and sound.

**For parents/guardians who would like to be notified of a school emergency such as power outages, severe weather or safety alerts via SMS, PLEASE TEXT a "Y" or "Yes" to 978338 to ensure you are on the list.**

## CYPRESS SKI DAY VOLUNTEERS

A huge thank you to everyone who offered to volunteer for the Cypress Ski trip. We had over 20 people offer to volunteer!

I have now contacted those who will be joining us, however, **additional volunteers are welcome if you are okay to pay for your own ticket/rentals.**

Please let Ms. Richardson know if you still plan on joining us. We look forward to a great day of skiing and fun as a school!

## Weather Closures and Procedures

The district aims to keep schools open on every regular instructional days, including those with snowfall. However, the final decision to send students to school resides with the parent/guardian, as they are most familiar with the specific road and weather conditions around their home and community. Any decision to close schools will be made by the Superintendent and will be based on the safety of students and staff. Efforts are made to communicate this information to parents/guardians by 6:00 a.m. on the day of closure. [Please check the school district website for the most current information on school closures.](#)

## DPAC parent evening with Sarah Ward on Executive Functioning

Sarah Ward is an internationally recognized expert in executive function. Her practical, research-informed strategies are widely regarded as groundbreaking in supporting student learning and independence.

Drawing from executive function coaching approaches used with elementary, secondary, post-secondary students and adults, this session will help build academic success by exploring time management, task prioritization, long-term project planning and the development of independent learning habits.

Understand

Learn

Parents will gain a clear, reassuring understanding of how executive function skills develop over time, why children may struggle with organization and time management, and what is developmentally typical at different ages.

Parents will learn practical, easy-to-use strategies they can apply at home to strengthen their child's time awareness, organization, study routines and follow-through for academic success.
